

www.kairosmedicalmissions.org

Dear Friends and Family,

I'm excited to share that I'll be participating in an upcoming medical outreach with **Kairos Medical Missions to Honduras from June 6–13, 2026.**

Kairos Medical Missions is a faith-based nonprofit committed to delivering compassionate, life-changing healthcare to underserved communities through mobile medical clinics, sustainable outreach, and global partnerships. I'm honored to be part of this mission and the opportunity to bring hope and healing to those in need.

To participate, I am raising funds to cover the direct costs of the mission:

- **Lodging, food, ground transportation, and translation services: \$900**
- **Flights: approximately \$800–\$1,300**

All funds raised go directly toward making this outreach possible and supporting the delivery of safe, compassionate medical care.

I would be truly grateful if you would consider supporting me through a donation or by keeping this mission in your prayers. Every contribution—large or small—helps make a meaningful impact.

Thank you so much for your support.

With gratitude,

[Your Name]

Kairos Medical Missions Participant

Honduras | June 6–13, 2026
