Dear Church Family and Friends,

I'm writing to share an opportunity the Lord has placed on my heart. I have been invited to serve on a medical outreach trip with **Kairos Medical Missions** to **Honduras from June 6–13, 2026**.

Kairos Medical Missions is a faith-based nonprofit committed to sharing Christ's love by providing compassionate medical care, health education, and humanitarian support to underserved communities. Through mobile medical clinics and sustainable outreach, the organization works to bring healing, dignity, and hope to those with limited access to healthcare.

As I prepare for this mission, I am seeking prayer and financial support. The funds raised will cover the direct costs of participating in the trip:

- **Lodging, meals, ground transportation, and translation services: \$900**
- **Flights: approximately \$800–\$1,300**

Every contribution helps make this mission possible and allows our team to serve safely and effectively. Most importantly, your prayers are deeply appreciated—for our team, for the patients we will serve, and for the communities we will visit.

Thank you for your encouragement, generosity, and partnership in sharing Christ's love through service. I am grateful for your support and honored to represent our faith in this outreach.

With sincere thanks and gratitude,
