PROFESSIONAL SERVICES

Basic Services of Funeral Director and Staff **$1,940**

Our fee for the basic services of funeral director and staff includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family and responsible parties; arrangement of funeral; preparation and filing of necessary authorizations and permits; recording vital statistics; preparation and placement of obituary notice; and coordination with those providing other portions of the funeral, e.g., cemetery, crematory, vault companies and others as required. Also included in this charge are overhead expenses relative to our facilities; such as professional licensing, legal and accounting fees, insurance, building and utility expenses, parking lot and grounds, maintenance, taxes, equipment, furnishings, inventory costs, record-keeping, and secretarial and administrative expenses.

Also included are the special services of filing or assisting with insurance, union, social security, veterans or other burial claims or benefits that may be applicable, as well as notary public services.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charge for direct cremations, immediate burials and forwarding or receiving remains.)
