Steven and his team came to YWAM Deaf World in Jamaica to help with the recovery from the crisis impact from the hurricane that happened a few weeks ago. Roger is one of my best encouragers about his experience as a missionary in Papua New Guinea and Indonesia for 17 years. Some of his stories have inspired me and helped me apply them to my life, encouraging me to obey God and trust Jesus to go and share God's gospel with the world's 70 million deaf people (over 98%), who haven't encountered the Gospel because it isn't available in their specific sign language.

Greetings in the name of our Lord Jesus Christ! I trust this letter finds you well!!

In the past week, I have learned new things about Abraham. One of my favorite things is that he is a man who heard God's voice and simply obeyed. For 5 years, God has been calling me, but I have been resisting him, and this has impacted my life. I see Abraham's example of good character and strong faith. Believing and obeying God's promises isn't always easy. It takes trust, patience, and a willingness to take risks. We must wait on God and believe in His goodness, even when others might give up.

I am passionate about traveling to Ethiopia in March of 2026 to share the gospel with the Deaf community, churches, and schools. Our goal is to bring hope, healing, and the message of salvation to those who desperately need it.

Please keep us in your prayers for safety, guidance, and effectiveness in the mission.

Additionally we would be grateful if you would consider supporting us financially. Whether it's a large or small contribution, it will have a significant impact helping us reach the lost. Your support is not just an investment in me, but an investment in spreading the Gospel and changing lives in Ethiopia. We trust that God will work through the generosity of His people to make this mission a reality. We are reaching out to our friends, family, and community to partner with us in this mission, both through prayer and financial support. Your generosity will enable us to cover tuition, living expenses, and outreach. My goal is to raise \$4,900us.

If you would like to support financially you can give at this link and include my name in the comments. <https://www.zeffy.com/donation-form/c9a12dcd-f871-4e15-a611-1b3b745af73b>.

We are deeply grateful for your consideration and support for this mission. It means the world to us. Thank you for joining us on this journey. I pray that God blesses you abundantly for your kindness and generosity.

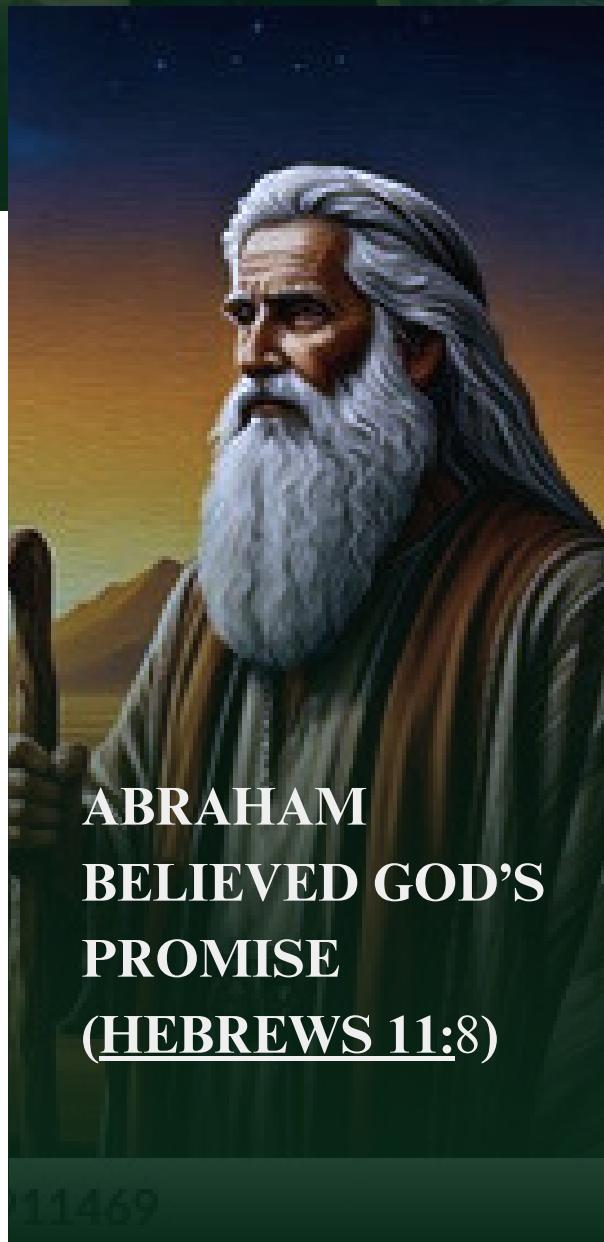

Merry Christmas and a Happy New Year to you and your loved ones 🎄🌟

In Christ's love,
