

# Manylebau Technegol y Lleoliad / Venue Technical Specifications 2026

Fersiwn 2 / Version 2

Diweddarwyd Chwefror / Updated Feb 2026

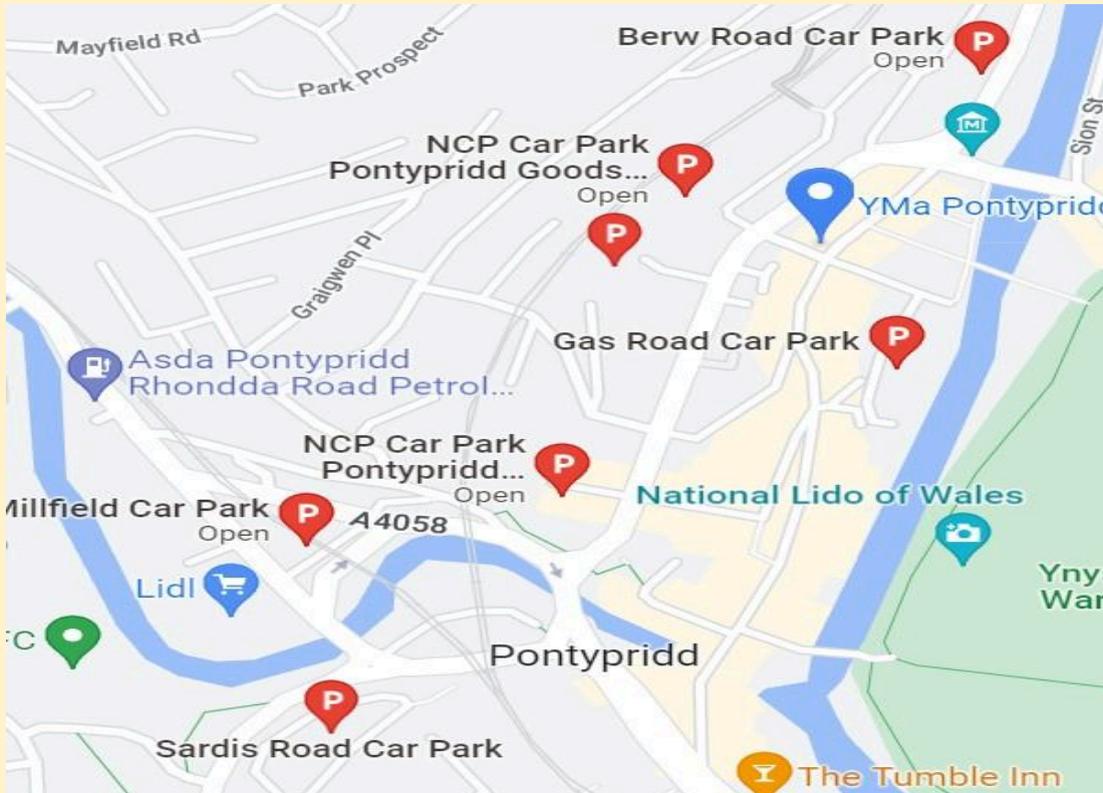

*Mae'r ddogfen fanyleb dechnegol hon yn rhoi trosolwg cynhwysfawr o gyfleusterau, offer a galluoedd gweithredol Stiwdio Moondance. Ei phwrpas yw gwasanaethu fel cyfeirnod clir i dimau cynhyrchu, dylunwyr, technegwyr a rheolwyr, gan amlinellu dimensiynau ffisegol y theatr, systemau technegol, paramedrau diogelwch a therfynau gweithredol. Drwy gydgrynhoi'r wybodaeth hon mewn fformat strwythuredig, mae'r ddogfen yn sicrhau cynllunio effeithlon, yn cefnogi perfformiadau'n ddiogel ac yn effeithiol, ac yn cadw gwybodaeth hanfodol ar gyfer staff parhaol a chwmnïau sy'n ymweld. Bwriad y fanyleb hon yw arwain pob penderfyniad technegol a chreadigol, gan helpu i drosi gweledigaeth artistig yn ganlyniadau ymarferol a chyraeddadwy.*

*This technical specification document provides a comprehensive overview of the Moondance Studio facilities, equipment, and operational capabilities. Its purpose is to serve as a clear reference for production teams, designers, technicians, and management, outlining the theatre's physical dimensions, technical systems, safety parameters, and operational limits. By consolidating this information in a structured format, the document ensures efficient planning, supports the safe and effective execution of performances, and preserves essential knowledge for both permanent staff and visiting companies. This specification is intended to guide all technical and creative decisions, helping to translate artistic vision into practical and achievable results.*
