The only warranties, express or implied, granted in connection with caskets sold by the Funeral Home are the express written warranties, if any, extended by the manufacturers thereof. SPECIAL RULES AND REGULATIONS GOVERNING PRACTICES AND PROCEDURES FOR HANDLING OF UNEMBALMED BODIES

The State of Texas has no rules or regulations requiring embalming under any set of circumstances at any time. However, Winscott Road Funeral Home and its affiliates reserve the right to refuse to conduct or have conducted under its supervision at any time or place, a funeral, public or private, of a deceased person that has not been embalmed unless the deceased is in a hermetically sealed casket, which casket is not to be opened at anytime for public or private viewing. Embalming is not required for private family viewing of the body prior to direct cremation or immediate burial.

CREMATION AUTHORIZATION:

Authorization for cremation and disposition must be made on forms provided by Winscott Road Funeral Home and its affiliates.

The following persons, in the priority listed, may act as the Authorizing Agent to control the disposition of the decedent's remains. In situations where there are multiple persons in the line of heirship (children, parents, siblings, etc.) signatures will be required from all persons in that line.

1. The person designated in a written instrument signed by the decedent.
2. The decedent's spouse;
3. All of the decedent's surviving adult children;
4. The decedent's surviving parent(s);
5. All of the decedent's surviving adult siblings.

Winscott Road Funeral Home and its affiliates reserve the right to refuse to complete the cremation if all persons have not signed. If a dispute has not been resolved concerning the cremation of the remains, a reasonable basis for questioning any representation made by the Authorizing Agent, or other lawful reasons exist for refusal to cremate the remains. The same is true for the release of the cremated remains.

In the State of Texas, cremation fulfills all health laws regarding disposition of a deceased person. The cremated remains will be returned to the next of kin in a simple container.

Winscott Road Funeral Home staff will coordinate, supervise, and direct placement of cremated remains in a family crypt, columbarium, or cemetery space for $395. At no charge Winscott Road Funeral Home staff will provide consultation for temporary and/or permanent memorialization options.

IDENTIFICATION VIEWING:

When identification of the deceased is required, Winscott Road Funeral Home will allow **ONLY** the Authorizing Agent to view the decedent's remains for identification purposes. **Our identification viewing does not include facilities for family viewing or a funeral ceremony.** If your family would like a "Private Informal Goodbye", your funeral director will assist you with the proper service selection.
