

HOME TEAM SCOUTING REPORT

ON MISSION!

As we journey into the new school year, FCA is on mission! We don't know what will happen during the 2025-26 school year, but we have a mission to lead every coach and athlete into a growing relationship with Jesus Christ and His church.

We live in a world that is chasing the things of this world, the glory of being in the spotlight, and the thrill of success. But in the end, does it really fulfill that longing in our hearts?

This past summer Professional Golfer, Scottie Scheffler, ranked number one in the world, said this about golfing, 'What's the point? Just before the 153rd British Open, he said, "Why do I want to win this tournament so bad? That's something that I wrestle with on a daily basis. It feels like you work your whole life to celebrate winning a tournament for like a few minutes. It only lasts a few minutes, that kind of euphoric feeling," he said. "This is not a fulfilling life. It's fulfilling from the sense of accomplishment, but it's not fulfilling from a sense of the deepest places of your heart."

Did you read that? He gets it! Winning isn't everything, even when you're number one in the world! What is the point? What is fulfilling?

To know Jesus Christ as your Savior, and to grow in your faith...that's the most fulfilling thing in the world! We want EVERY coach and athlete, and all whom they influence to know this truth!

Pray for us, as we seek to launch and lead 50 Campus Huddles this year! Pray for our adult and student leaders, as we hope to reach thousands this year with the Good News of Jesus Christ!

Thank you for your prayers and faithful financial support to this ministry! It is making a difference.

Team Times 2025

The Fall sport's season is off and running and praise God for another season of assisting coaches and teams with heart and head issues. Team times are a great opportunity to visit teams on a weekly basis, giving them encouragement and challenges to rise above being average in competition and faith. Pray that we have opportunities to connect outside of practice and help connect coaches and athletes to Huddles and churches.

FCA ADULT/STUDENT HUDDLE LEADER**TRAINING**

Praise God for another great Huddle Leader training! On Sunday, August 24th, 110 student and adult FCA Huddle Leaders, representing 30 Campus Huddles, gathered for Training! As always, we cover the "Nuts and Bolts" of the FCA ministry, updates, and reminders. But this year, as always, the best part is the fellowship of Huddles. The opportunity to meet new people and get in the mindset of preparing for a great school year is valuable!

We were encouraged at the end when over 16 students stood and shared their best ideas and activities from 2024. I'm amazed at how these students are leading! Various ministries teach our youth godly principles, which is great. FCA does that AND empowers these same students to make disciples, as commanded in Matthew 28:19-20. We are looking forward to seeing what God is going to do in the Buckeye Border FCA area!! To God be the Glory!

Thanks to New Horizons Academy/Sara's Garden for being a great host to our training! Thank you to our staff and board members for helping making this event successful!
