BUCKEYE BORDER FCA

YEAR-END REPORT

MISSION: To lead every coach and athlete into a growing relationship with Jesus Christ and His church.

As the cool weather blows into NW Ohio, and the calendar year ends, FCA is just heating up! In all my years of ministry, I have never seen a great hunger among the younger generation of students to worship God, pray, and know His Word! With a rise in political tension, spiritual persecution, ungodly temptations, mental health challenges, and immoral threats...God is on the move in FCA!

We are in a perfect position to lead every coach and athlete into a growing relationship with Jesus Christ and His church! Local ministries and missions reach younger children and adults, praise God! But FCA helps bridge the age gap, as well empower these youth to step into leadership positions.

We are witnessing the power of God, transform students, teams, and communities! To help testify to this truth, we've included in this year-end letter testimonies of students and adults! Read their messages of hope and change! Be encouraged...more importantly be inspired to be part of our team!

We invite you to celebrate and praise God with us! Take a few minutes and read how God is working through the ministry of FCA. Pause and pray for our staff and volunteers! Seek God in prayer and ask, "How can I help keep this ministry moving forward?" We have a big year-end financial goal and I'm inviting you and others to be a part of this team. Please prayerfully consider making a year-end gift! Together, let's continue to impact lives of these young people!

FCA has helped pull me out of a dark time in my life by seeing the faith of the students in my Huddle. The messages they have shared as well as seeing how they have navigated through their tough times has really encouraged me.

- Ryan Ripke (Coach/High School Teacher, Huddle Leader)

I am amazed at how God is growing the students in the schools in NW Ohio! They are taking bold steps of faith, talking about Jesus with their teammates and classmates, leading FCA Huddles, and growing spiritually!

- Kari Alstatter (Middle School Teacher, Huddle Leader)

This is my 4th year at camp and each year I can't believe it can be better than the last but every year camp gets better and I thank each and every person who helped make it happen.

- FCA Leadership Camper

My perspective of Christianity has been changed, and I feel like I have a fresh start with God and I am not ashamed to ask Him for help.

2025 MINISTRY MOMENTS OF IMPACT

CAMPUS HUDDLES

This year our Campus Huddles are off to a great start! For the most part, we are seeing Campus Huddles growing in size and depth of teaching. Pray for our new Huddles and student leaders as they boldly share from God's Word.

TEAM PRAYER

Many of our student leaders are not only skilled athletes, but they are also determined prayer warriors! We give God the glory for every time a player rallies their team, and often the opposing team to pray together before or after competition.

MOTOCROSS CAMP

FCA Motocross held its 5th camp at Koinonia Farms Camp. We had great weather that led to some epic motocross training all week long. This was our biggest camp thus far with 58 kids registered. Praise God for nine salvations and 14 baptisms, and two of those baptisms were staff! We thank the Lord for His favor on this camp and His transforming power.

FIELDS OF FAITH

Fields of Faith in our area included four events in four different counties! Over 400 students attended these special worship nights of prayer, scripture reading, and the sharing of testimonies! Praise God for how these leaders are sensing God's call to openly praise God's name. Each event was student-initiated and student-led!

LEADERSHIP CAMP

Camp is one of our favorite and most powerful FCA events! This is where we see students surrender their hearts and lives to Jesus Christ, choosing to pursue God at a deeper level. Praise God that this year more students surrendered their lives to Jesus for the first time!
