SCOUTING REPORT

2026 FCA All-Abilities Camp

We recently held our second All-Abilities Camp on Saturday, May 30, 2026 at Wauseon High School's Football Stadium. Over 50 volunteers served as buddies, coaches, and helpers throughout the day.

Twenty-six campers ranging from four years old up to 40 years old participated in various sports such as football, basketball, baseball, cheer, soccer, obstacle course and even self-defense. While sporting events and other activities were going on, campers listened to gospel stories in "The Rock," a large tent.

Mindy Cross (Area Representative and Camp Director) shared, "Our goal is to provide an event in which everyone with a disability of any age is welcome to attend and experience God's love expressed through the many volunteers. It gives folks the ability to be able to be on a football field, play sports and have fun. What was special about the significance of "The Rock", is that there were seven campers who made their personal commitment to receive Jesus Christ as their Lord and Savior that day."

Special thanks go out to the Wauseon Schools, Wauseon American Legion and Wauseon VFW Posts for their support along with Chick-Fil-A Restaurant who provided lunch for the All-Abilities Camp. Big thanks to all the coaches, buddies, and volunteers! Praise to God for the good turnout, great weather, and the message of salvation by faith!

SENIOR SPOTLIGHT

We have hundreds of seniors actively involved in FCA! We'd like to feature a few seniors and share how FCA has impacted their lives. Pray for them as they graduate and begin a new journey in their life.

Isaac Meyer - Napoleon High School

FCA has allowed me to share my faith with others in environment that encourages it. In the past, it always was slightly awkward to talk about Jesus. Now that I have people around me at school, it's a lot easier to bring up Jesus in casual conversation.

Another thing FCA has blessed me with is the opportunity to lead others to Christ. I have been able to do this through the lessons I have taught during meetings, but especially the example I set for others outside of meetings. I'm very grateful that I'm able to share my faith with such strong believers surrounding me. FCA has strengthened my faith in ways I thought weren't possible.

I plan to attend Bowling Green State University and major in finance, with hopes of pursuing a financial advisor career.

Reiss Creighton - Stryker High School

FCA has impacted me because it has encouraged me to share my faith in front of my peers and I've become more confident doing so. It is really special to get to gather with other believers and learn together, especially in a school setting. I've also enjoyed getting to connect with my teachers through FCA and listen to their wisdom and testimonies. I'm very grateful for FCA and how I've seen it impact my own life as well as other student's lives.

Reiss plans to attend Bowling Green State University, majoring in Nursing.
