HOME TEAM SCOUTING REPORT

Last Second

It's nothing new, but this NCAA College Football season has had more than its share of last second game ending plays! Western Michigan, Indiana, Notre Dame, and BYU experienced the last second nail-biting plays, and Michigan more than once. In some of those games, there was a question about how much time was left. The scoreboard clock says "0" but was there still time? Was it just one second left? Is the game over? Or is there still time?

Here's what we know about life, we don't know how much time is on the clock. What if this was your last day? How would you treat people throughout this day? Are you ready for eternity? This reminds me of a moment in history found in Acts 14.

Then some Jews arrived from Antioch and Iconium and won the crowds to their side. They stoned Paul and dragged him out of town, thinking he was dead. But as the believers gathered around him, he got up and went back into the town. The next day he left with Barnabas for Derbe. After preaching the Good News in Derbe and making many disciples, Paul and Barnabas returned to Lystra, Iconium, and Antioch of Pisidia, where they strengthened the believers. They encouraged them to continue in the faith, reminding them that we must suffer many hardships to enter the Kingdom of God. (Acts 14:19-22)

Paul had just healed a crippled man. A miracle that had the crowds on their feet cheering. Yet within a short time, they were picking up stones to kill Paul! He was stoned and left for dead. But he wasn't dead. There was still time on his earthly clock, so he made the best of it.

Most of us would give up after that kind of persecution! Not this man of God! With time still on his clock, he got up, and the next day left Lystra with Barnabas. They headed off to Derbe to preach the Gospel there as well. After preaching and teaching to many in Derbe, they went back to the areas where they had been heavily persecuted.

What are we doing with the time God has given us? There are two things I want to ask you. Have you placed your faith in God, through Jesus Christ? As I said, we don't know how much time is on the clock of life! Today is the day to make that decision!

Secondly, if this was your last day on earth, how would you live for Jesus? Would you show kindness, generosity, or patience? Would you show love? With a persevering attitude, would you be known for your faith in God on this last day?

These are questions we can ask students and coaches on a weekly basis! How awesome is that?! Your support is instrumental in helping us buy Bibles and other resources to equip and empower those on the journey!

Thanks for being on our Home Team and serving with us through prayer and giving.

Rex Stump, Area Director

FCA Campus Huddles Reaching Into Their Communities

Napoleon High School FCA Huddle gathered outside of school hours to do a service project for The Open Door of Delta Ministry in Delta, Ohio. One of their projects was to unload a trailer full of Christmas supplies. FCA Huddles will often strive to do outreach projects on and off campus, serving those in their local communities.

FIELDS OF FAITH

Williams County Fields of Faith 2026 was a success! We had incredible students from Bryan, Edon, Montpelier, and North Central step up to lead worship, host the event, share the gospel message, and give powerful testimonies of God's love and faithfulness in their lives. This incredible night couldn't have happened without our wonderful community partnerships. We are thankful for this time of prayer and community!

FCA Making Prayer a Priority

Many of us pray when we wake up, before we eat, and when we go to bed, but how about before and after competition. Whether we win or lose, we pray. We give God thanks for our health, opportunities to compete, and in all moments, God gets the glory.
