

Job Title: Designer**Company:** Facilitec**Location:** St. Louis, MO**Type:** Full-Time

About Us: Facilitec is a leading contract furniture dealership specializing in providing innovative and tailored workspace solutions to a diverse range of clients. With a commitment to merging functionality and design excellence, we collaborate with esteemed architects and industry leaders to redefine the modern office and hospitality landscape. We are currently seeking a Contract Furniture Designer to join our team and bring unparalleled creativity to every project.

Job Overview: Join our team as a Designer and bring your artistic prowess to the forefront. In this key role, you will engage with clients, lead design initiatives, and guide your team to create exceptional work environments. Your expertise will breathe life into spaces that seamlessly blend aesthetics, ergonomics, budgets, and functionality.

Key Responsibilities:

- **Innovative Design:** Conceptualize and execute sophisticated interior designs that harmonize with our clients' brands and functional needs. Your creations will inspire and leave a lasting impression.
- **Client Collaboration:** Act as a pivotal point of contact for clients and our sales team, translating their visions into tangible design concepts. Your ability to convey ideas effectively will be essential.
- **Project Leadership:** Lead design projects from inception to installation, guiding your team with precision and finesse to deliver outstanding results.
- **Nurturing Creativity:** Foster an environment of innovation, introducing emerging trends, materials, and spatial dynamics to infuse your designs with contemporary brilliance.
- **Technical Mastery:** Your proficiency extends to technical aspects, including CAD drawings, space planning, and furniture specifications, ensuring every detail is meticulously addressed.
- **Project Coordination:** Skillfully assist with coordinating projects, managing vendors, budgets, and deadlines to orchestrate seamless project execution.

Qualifications:

- **Design Expertise:** Possess a Bachelor's degree in Interior Design or a related field.
- **Portfolio Excellence:** Showcase a portfolio reflecting your mastery of interior design across diverse commercial projects, illustrating your creative versatility.
- **Professional Experience:** Demonstrate a minimum of [3] years as an interior designer, preferably within the contract furniture or commercial design sphere.
- **Technical Proficiency:** Exhibit proficiency in design software like AutoCAD, SketchUp, and Adobe Creative Suite. Familiarity with CET Designer is a notable asset.
- **Client Relationship Skills:** Exhibit exceptional client communication skills, translating abstract concepts into compelling design proposals.
- **Leadership Acumen:** Proven leadership experience managing design teams, conducting design reviews, and fostering a culture of innovation.
- **Design Insight:** Stay attuned to design trends, material innovations, and workplace dynamics to keep your designs on the cutting edge.
- **Project Management:** Demonstrate the ability to manage budgets and timelines while seamlessly integrating creative and practical considerations.

Benefits:

- **Collaborative Environment:** Engage with distinguished architects, designers, and industry thought leaders in a collaborative workspace.
- **Competitive Compensation:** Enjoy a competitive salary complemented by performance-based incentives that recognize your creative contributions.
- **Comprehensive Benefits:** Access comprehensive health, dental, and vision coverage to support your overall well-being.
- **Inspiring Workplace:** Immerse yourself in an environment that nurtures creativity, innovation, and cross-functional collaboration.
- **Professional Development:** Benefit from workshops, seminars, and industry events that allow you to refine your skills and expand your network.

If you're an interior design professional ready to make an indelible mark on workspaces, we invite you to join Facilitec. Contribute your expertise to creating environments that blend innovation and sophistication. To apply, kindly submit your resume, a thoughtfully crafted cover letter, and a selection of your portfolio to brandazzo@facilitec-stl.com. Your next creative chapter awaits!
