

## At Serco, we do important work that really matters

Working with Serco at Fiona Stanley Hospital is more than just a job – it's an opportunity to partner with the clinical workforce and make a positive impact to the experience of patients and visitors in our care.

Our employees are our greatest asset and we are committed to fostering an environment where every individual can thrive, grow and contribute to our collective success.

**Impact**  
a better  
future

### A place for you

We are passionate about ensuring everyone is included. We foster a positive and inclusive environment so everyone can be themselves at work and feel they belong.

We understand the importance of continuous learning and professional growth. That's why we offer a wide range of development opportunities including eLearning and in-person learning, secondments and promotions.

Whether you are looking to enhance your skills in your current role or explore new career pathways within Serco, we're dedicated to developing your potential.

### A place you can count on

As a valued member of our team, you will be celebrated through our reward and recognition programs, have access to a range of benefits including flexible working options, health and wellness discounts and everyday savings through Flare.

You and your family will also have 24/7 access to medical, wellbeing and personal safety support through our Active Care provider Sonder.

### A place you can make a difference

No idea is too small to make a significant impact on our people and the essential services we deliver.

From waste diversion and recycling programs to introduction of wearable technology to reduce workplace injuries. We listen and support, turning your ideas into a reality.

We partner with agencies to connect some of most vulnerable community members with employment.

We are more than just a workplace – we are a community that values and invests in our people to Impact a Better Future.
