

“God is spirit, and those who worship him must worship in spirit and truth.”

John 4:24

Worship is at the very heart of Christian discipleship, and true worship is rooted in God's Word. But, why do we sing? Why do we confess our sins? Why do we declare our faith? Why do we proclaim the gospel? Why do we celebrate the sacraments? Why does any of this matter?

Through an in-depth study of the Psalms and other foundational biblical passages, we will discover how Scripture shapes our worship, deepening our understanding of both **how** we worship and **why** we do the things we do each week.
