

**Buyer
De Pere, WI**

At Washworld, Inc., we don't just build automatic vehicle wash systems, we engineer excellence. For more than 25 years, our growth has been driven by innovation, reliability, and doing things the right way.

Behind every machine is a customer who counts on us. Behind every customer experience is a supply chain that delivers. **That's where you come in.**

This role is about execution. Following through. Staying on top of things so nothing slips.

You'll work with suppliers and internal teams to keep materials flowing and problems from turning into bigger problems.

What You'll Do

- Own purchasing for a defined group of suppliers or categories, ensuring material availability, delivery performance, and responsiveness
- Manage purchase orders from start to finish, including order tracking, follow-up, and issue resolution
- Communicate directly with suppliers on orders, timing, shortages, and day-to-day issues
- Lead routine pricing discussions and negotiations within your scope; escalate more complex situations as needed
- Source and evaluate quotes, compare pricing, and identify cost reduction opportunities
- Monitor supplier performance (delivery, quality, responsiveness) and address issues proactively
- Identify and communicate material risks early to prevent impact to production
- Partner with Operations to balance inventory levels, demand, and material flow
- Coordinate with Engineering on part changes, BOM updates, and purchasing impacts
- Work with Quality to resolve supplier issues and support corrective actions
- Drive improvements in purchasing processes, supplier performance, and overall efficiency
- Maintain accurate purchasing, pricing, and supplier data within ERP systems

You'll do well in this role if you:

- Follow things through, you don't let tasks sit
- Communicate early, not after something goes wrong
- Can stay organized even when a lot is happening
- Are comfortable figuring things out without waiting for direction
- Build solid working relationships with people

What You Bring

- 3+ years in purchasing, buying, or supply chain in a manufacturing environment
- A degree in Business, Supply Chain, or similar, or equivalent hands-on experience
- Experience with purchase orders and supplier communication

Our Non-Negotiable Standards

At Washworld, how we work together matters just as much as the work itself. The following standards guide how we show up for our customers, teammates, and partners every day.

Candidates who thrive here align with these principles:

Customer Obsession: We put customers at the center of every decision and focus on long-term value.

Calculated Growth: We pursue thoughtful, sustainable growth in our people, products, and business.

Relationships: We prioritize partnerships over transactions and value strong collaboration.

Accountability: We take ownership of our work and follow through on commitments.

Trustworthiness: We build trust through honesty, integrity, and responsible decision-making.

Golden Rule: We treat others with respect, kindness, and consideration.
