Background and probity checks

Pricing schedule

What each check costs, where it can be run, and how long it takes. A companion to the background and probity check catalogue.

HOW TO READ THIS SCHEDULE

Every price, in one place, with the conditions that apply to it.

- **GST**

All prices are in Australian dollars and exclusive of GST.

- **Price per name and per record**

A check is conducted against each name provided by the candidate and each name incurs a check fee. The same applies per record: two qualifications are two checks, two directorships are two checks, each nominated address is a separate fee.

- **Volume discounts**

Available across the suite. Several checks carry a minimum purchase; where they do, it is noted against the price.

- **Turnaround times**

Stated in business days and a guide only. Times depend on the issuing body, the candidate and the referee.

- **Countries listed**

A guide only. Many other countries are available; ask our team. The price for a check is shown on the WorkPro platform when the check is ordered.

- **Third-party fees**

Some institutions and databases apply an administration fee. WorkPro will always seek your permission before proceeding with an additional charge.
