- The Budget increase for 2017 is approximately 3%.
- Major factors contributing to the budget increase include:

7. NEW BUSINESS

- George Dunn expressed thanks to the Activities Committee for their dedicated efforts. He suggested that the beef-on-a-bun events be advertised on Cogeco each month.
- Thanks were expressed to Rev. Paul James for his spiritual leadership and ministry.
- Thanks were expressed to Stephanie Morley for her dedication to the Sunday School.
- Thanks were expressed to Lisa Brillon for her work with the Choir and her musical leadership.
- Thank you to Darlene Romanowsky who put together the Annual Report and the Financial Statements. It was noted that Darlene is the voice of our church as she is usually the person answering the phone.
- Roy Harwood suggested that a fund be set up for the future where the interest, but not principle, is spent. He suggested contributions could be directed to this fund instead of memorial flowers. He further suggested that members consider the church in their wills. A special service could be held every year to recognize those who have contributed to this fund.
- Thanks were expressed to the Congregation for their continued generous support of the work of our church through weekly givings, attendance at fundraising events and tireless volunteering at many church functions. New members seem to come on a regular basis, so we must be doing something right. Special mention was made of the folks who make sure new people receive a warm welcome.
- Contributing members were encouraged to consider switching weekly envelope givings to Pre-Authorized Remittance (PAR) which is a direct debit program that allows you to support our church through an automatic monthly withdrawal from a bank account. It means regular contributions throughout the year that make it easier for you to give to the church and an advantage for our Finance Committee to track our income against our expenses.
- Anne Dorland expressed thanks to Steve Hardaker for his gracious and dedicated leadership.

**MOTION: To close the congregational meeting. Moved by: Lyndsay Gazzard; seconded by Nancy Lang.
CARRIED**

Adjournment was at noon.

All present were invited to attend the luncheon following the meeting.

Rev. James offered a blessing for the food we were about to receive.

MINISTER'S THOUGHTS

January 2018

Dear Friends:

Another year has rolled past. Every year time seems to go faster.

This past September I completed ten years as your minister.

It is amazing how quickly the years have slipped by - until I think about the changes to the congregation.

So many funerals, so many new faces (well, you were new when you arrived - many of you have been attending for 6,7,8 years - not so new anymore, now you are just part of the congregation) ; -)

In 10 years, we have become wheel chair accessible, redeveloped the basement, installed air conditioning and a new floor in the C.E. hall, paved the parking lot, new sound system, to name just a few of the many projects to the physical building.

Financially we are "in the black", and our church "sparkles".

The pews are full on Sundays as is the choir loft.

Children run up the aisle for children's time.

God has richly blessed our congregation.

So, what will we, as a congregation, do for the next 10 years?

What dreams do you have for our congregation?

We have been blessed - now the question is: how will we be a blessing to the community and to the world at large?

As we move into 2018 I challenge you to seek and be open to God's Spirit, to seek a new vision for our life as a community of faith. How shall we serve God going forward?

Blessings,

Paul

CONGREGATIONAL AND OFFICIAL BOARD CHAIR'S REMARKS

Hello friends. Once again this year we present the Annual Report for St. Davids-Queenston United Church. In this year's version you will read the reports of committee chairs and others who have contributed to sustaining our church family. I think you will find these reports full of interesting information. I look forward to officially presenting this report for your approval at our Annual Congregational Meeting on Sunday, February 25th after our worship service.

Our Sunday school is flourishing and very active with sincere thanks and appreciation to Stephanie Morley and the parents who volunteer their time. Stephanie works tirelessly to plan and execute a number of fun extracurricular activities for the children throughout the year. The Senior Choir grew once more this past year under the harmonious leadership of Lisa Brillon, with assistance from Anthony Scaringi. Each Sunday, Lisa leads the Choir that fills the Sanctuary with beautiful music. We all wait with great anticipation for the two Cantatas performed at Easter and Christmas. Margaret Elia is our Caretaker. There isn't a week that goes by that Margaret ensures that our church is clean and tidy from top to bottom. We owe a huge thank you to Darlene Romanowsky our church secretary. Darlene puts in countless hours completing the administrative responsibilities and tasks of a modern church. This annual report is a direct result of Darlene's dedication. Each Sunday, Rev. James leads us in worship. Our Sanctuary is full thanks to Paul's gentle message of love and compassion. This past year we celebrated Paul's tenth year as our Minister. We look forward to many more.

Once again this year, I am appealing to congregation members to consider switching your weekly envelope givings to Pre-Authorized Remittance (PAR). Presently there are 18 congregants using PAR. PAR allows members to support their church through an automatic monthly withdrawal from their bank account, similar to how you already pay many of your monthly bills. It makes it convenient for you to give to St. Davids-Queenston United Church, even when you are not in attendance. The more that use PAR, the easier it becomes to manage our budget. Let's double the number of members using PAR in 2018.

As we say good-bye to 2017 and welcome in the New Year, our church is a loving, faithful group of worshippers. Each Sunday we gather together to listen and learn and to celebrate God's love for each of us. Before worship service, our Sanctuary is filled with the chatter and laughter that only a loving family can bring. We pray together, we sing together and we comfort each other together. As a congregation, we volunteer our time and give generously to sustain our church. Please enjoy reading the 2017 Annual Report. Remain faithful! Share your fellowship! I look forward to seeing you in church! God bless you all!

Steve Hardaker

We appreciate Rena Edgley and Nancy Lang's leadership with the Sunday school as they sang on Dec. 17.

SENIOR CHOIR

It's been another great year of singing for the Senior Choir! We had 18 choir members this year at our peak in the choir loft.

We recently presented our Christmas Candlelight service "Sing Joy to All the World" to wonderful reviews and donated over \$500.00 to the Benevolent Fund from the offering at our service.

We also sang a full cantata for Easter in the morning service with somewhat reduced numbers, yet a successful presentation.

Many thanks to Val Zuk, Nancy Lang and Alan Cobham for singing solos as well as our trio/quartet - Marianne McRae, Sue Cote, Nancy Lang and Anne Dorland throughout the year.

The choir welcomed new members Kathy Paul to the alto section as well as Melanie Kelch, and also her husband Alan Cobham to the baritone section. Once again we enjoyed having Bob Prentice and Alexandre Brillon join the choir for the Candlelight service.

I would like to thank all the choir members for their dedication to the choir by coming out to weekly practices and singing in church every Sunday. Their talents are greatly appreciated by the congregation and myself!

Lisa Brillon
Choir conductor and organist

UNITED CHURCH WOMEN (UCW)

The UCW meets the 2nd Wednesday of each month from September to June at 1:30 PM. On the last Friday from September to April, except December, a dedicated group of 7 – 12 ladies get together to make hundreds of meat pies. In July, these same ladies make pies for the Pie Booth at the annual Lions Club Carnival. THANK YOU ALL!

Once again in November “The Bazaar” was a great success. THANK YOU TO ALL who made this possible!

These two fundraisers make it possible to donate \$5,000.00 to the church for the insurance, to hold the Over 80’s Lunch, purchase cakes for special occasions and purchase supplies for the kitchen. It also allows us to donate to Women’s Place, Gillian’s Place, Wellspring Niagara and Cave Springs Camp.

In April, UCW Hamilton Conference President, Nancy Risto, came to our meeting. She dissolved the Standing Executive and presided over elections of a new Executive and then swore them in to office: President Nancy Utting, Treasurer Violet McArthur and Secretary Florence Turner.

World Day of Prayer was held on March 3rd at Niagara United Mennonite Church in Niagara-on-the-Lake. The UCW Presbyterial Meeting was held March 18th at People’s Memorial United Church in Ridgeway.

Throughout the year we served lunch following a number of funerals. Our sympathy to all the families who lost loved ones.

We were extremely saddened by the loss of two members this year. In January, Margaret Zacharias passed away after a long illness. In March, we lost Verda Smith, a UCW member for over 50 years and our Treasurer for many years. We are still discovering things that Verda did for our church. We are thankful for her many years of dedication and service. She may be gone, but we will never forget her beautiful smile and shining eyes.

We would like to THANK ALL the members of the Congregation who are always there to help whenever they are needed. Without your help and support, we would not be able to do what we do.

BOARD OF TRUSTEES

The Trustees met twice during the 2017 calendar year.

Creative Landscapes (Geoffrey Mayers, owner) has assumed the responsibility for selling and marking cemetery plots. In the past this job has been undertaken by volunteers from the board of Trustees but it was felt that a younger person would be able to assume the responsibilities for a longer period of time. Mr. Mayers agreed to fulfill the responsibility of selling and marking out the grave plots.

It was discovered that the land upon which the cemetery is located, was never officially transferred to the trustees. Thanks to the efforts of Sue Cote and the firm of Lancaster Brookes and Welch the proper paper work was registered and the trustees now "officially" hold title to the land.

A presentation was made to the Trustees by a former member of the Queenston community to erect a fence between the parking lot and the cemetery. The person proposing the fence is in the process of raising funds in the community to pay for the project. Concerns were raised about both maintenance and accessibility to the cemetery. The trustees requested further information about the proposal. As of December 31st, we have had no further information.

The Trustees lost two valued and loved members of the Board this past year with the death of Jerry Bergsma and Verda Smith. We miss their presence and their wisdom.

PROPERTY

The property committee is charged with the responsibility of maintaining the building and property of the church excluding the cemetery. We also have the mandate to recommend and oversee projects to improve the facility. During the year we have completed a number of major projects such as paving the parking lot, replacing the sound system, bringing a number of railings up to code, replacing the lighting in the choir area, replaced the batteries in the exit lamps, replaced all the fire extinguishers and replaced all the hand sanitizer stations. The property committee, as well as the official board would like to thank the presbytery extension council, the Gale family, and everyone who donated funds to allow these projects to proceed.

As a committee we are small in numbers but we all work hard to make the church a safe and enjoyable place to worship. I would like to thank, Steve, Ron, Bob, Greg and Monty for all their contributions and hard work that makes my job so much easier, as well as the congregation for your support. FRIENDLY VISITORS

The Friendly Visitors have continued to make visits to members of our Congregation. Our list of visitors and congregation members being visited has recently been updated. There are presently 6 volunteers visiting or phoning shut-ins or making hospital visits as necessary. There are 10 people who require such services at present.

We would like to thank Susan Cote for all of her time and help as a visitor over the past few years.

Rev. James continues to be supportive of the work involved and for bringing new needs to our attention and for this we are very grateful.

We continue to welcome any member of the congregation who may be interested in joining this very rewarding and necessary volunteer endeavor. The friendly visitors programme includes telephone visits for those who may themselves not be able to get out to visit but can still provide companionship and connection to others. We would also like to remind people to continue to let Rev James or us know of anyone in the congregation who might be in need of a friendly visit.

FAITH AND CULTURE GROUP

This year we have been looking at the children's stories on Oscar Wilde. Most of them are not well known, and the series was prompted by this season's production of "Wilde Tails" an interactive children's play. Wilde wrote beautifully and we are examining the stories from a religious, social and art perspective. This year we have introduced a new format for the meeting. We have a pot-luck supper, which is eaten in silence while the story is read, followed by a discussion period of about one hour. Attendance has been 10-15 persons.

HAM DINNER

Once again this year, all tickets were sold out and everyone enjoyed a great dinner on Saturday, November 11, 2017. When all was said and done, we raised \$2,436.30 for the general fund. Again, many thanks to all volunteers who helped sell tickets, set up, cook, serve and clean up!

PIE BOOTH

The St. Davids-Queenston United Church Pie Booth at the Annual St. Davids Lions Carnival was another great success! Over the 4 day period, dedicated members of the congregation, made, baked and sold 247 homemade pies and cakes raising \$4,240.00 for the church.

I want to **THANK** each and every one of you who made this possible. The kitchen workers, the people manning the pie booth, the runners, the set-up, take down and clean up people and all those who donated supplies, money to purchase supplies and made pies at home.

This is an all-encompassing Church project and it always makes us **ALL** proud! Since 1963, hundreds of members of this congregation have worked for the benefit of our church and with God's help, we hope to continue for years to come.

THANK YOU ALL from the bottom of my heart.

FINANCE

The Finance committee report includes tables showing our income and expenses for 2017, our proposed expense & income budget for 2017 and our cash position and guaranteed investment certificates at December 31, 2017.

The finance committee would like to sincerely thank all the congregation members for their continued support throughout the year. As a result of your loyalty and generosity we are pleased to present an **Operating** year end surplus of **\$14,768.04**.

Thanks, so much, for all those involved with the fundraising projects that had the profits designated to the Operating Income. The Easter Sunrise Breakfast, the ham dinner, the pie booth at the carnival, and the yard sale/barbeque raised a total of **\$8,854.90**.

We are very grateful to our tireless **Activities Committee** who continued with one Friday a month from January to June and September to November hosting the popular beef-on-a-bun/games night. With this fundraiser they designated the profits to the **Capital** project of replacing the sound system for the church. They raised **2,575.50** for the sound system.

Our very reliable, hardworking and thoughtful UCW members presented \$5000.00, once again in 2017, for the operating account to aid in the cost of the church insurance. This assistance is so greatly appreciated.

The Finance committee also recognizes and greatly appreciates the many individual members of our congregation who selflessly donate back to the church any cost incurred to them whether it be for purchasing routine kitchen supplies, food supplies for special dinners or for many other unforeseen costs with fundraising activities.

On another positive note we are pleased to report that our Envelope offerings **increased by 3%** over 2016 and as well we **exceeded** our proposed operating “income” budget for 2017 by approximately **\$5000.00**.

FINANCE HIGHLIGHTS

Operating Income

The Operating Income totaled \$173,315.60 for 2017. Our major source of income comes from envelope offerings which totaled \$154,435.51. Fundraising supplemented our income by \$8,854.90. Internal donations (UCW) a business donation and Weddings & Rentals contributed \$6,585.00 to our income. The remaining source of income comes from HST Recovery, GIC interest and other miscellaneous items.

Operating Expenses

The operating expenses of **\$158,547.56** for 2017 when compared to the operating income of **\$173,315.60** resulted in a year end **surplus of \$14,768.04**.

Capital Income

The Capital Income totaled **\$100,409.19**. The source of income comes from capital fundraising, personal donations, Extension council grant & loan HST Recovery and GIC interest.

Capital Expense

The Capital Expenses of **\$109,403.96** for 2017 when compared to the Capital Income of **\$100,409.19** resulted in a year end **deficit of \$8,994.77**.

Proposed (Expense) Operating Budget for 2018

The proposed (Expense) Operating Budget was developed based on our expenditures in 2017 adjusting the budget to meet expected increases and some decreases in 2018.

The proposed budget for 2018 is **\$174,143.00** which is an **increase of \$6,952.36** or approximately 4% from 2017. The increases in the budgeted items are mostly based on routine increased expenses each year, including salary increases. One line item to notice is the addition of a proposed budget for the care and upkeep of the cemetery. The trustees requested this addition to aid them in handling the increasing costs of caring for the cemetery when the number of sale of plots is decreasing. You will note also that we now have the added expense of paying off a loan and cost of a sabbatical.

Proposed (Income) Operating budget for 2018

The proposed (Income) Operating Budget for 2017 is **\$174,143.00** which is an increase of **\$6,952.36** or approximately 4% from 2017. This increase has been made in an attempt to have a **balanced Income/Expense Budget**. You will notice that we have included the Potentials Grant of \$5,525.00 given to help with Rev. James' 3 month sabbatical leave.

Financial Outlook

If we stay the course and repeat our success in 2017, we will surely be able to once again present a year end surplus in 2018. This is assuredly a representation of a very devoted and generous congregation that we are all blessed to be a part of.

Annual Report for 2017

Thank you for your continuing support for the Caribbean Workers Outreach Project. In 2017 we celebrated the 25th anniversary of the project through which a sawmill group of Christian volunteers in Lincoln and Niagara-on-the-Lake have ministered to Art cultural workers(mails Jamaican) who come each year to assist in farm work to benefit Niagara farmers. Each spring hundreds of men (an a small group of women) leave family and home to travel to Niagara to work from 5-9 months, living on farms and saving or sending home their pau to support them and their families throughout the year. They cope with lung working hours, extreme weather, isolation and loneliness. CWOP offers support to workers through five programmes.

1. Regular worship services are held in Lincoln and Niagara on Sunday evenings from late April to the end of June and both sides host a closing service at the end of August or early September. Each week volunteer drivers bring workers to services and return them to their farms. Local churches provide fruit, juice and pastries for the workers after each service. Visitors are welcome.
2. Each year two ministers from the United Church of Jamaica and Cayman Islands come to Niagara for five weeks each, to lead worship and to visit workers on farms in the evenings to offer friendship and support, sharing news from home and prayer. We need volunteer drivers to help the ministers to travel from farm to farm and also to help workers get to Sunday evening services.
3. Each year we host workers from both sides for two events with friendly competition. A dominoes match in Lincoln on a Saturday evening and a Cricket Match in NOTL on a Sunday afternoon are highlights of the summer. Participants in the Cricket Match get team shirts and everyone shares in a special meal. There is no charge to workers for these events and transportation is provided.
4. We have a fund to provide benevolent support to workers who experience the death of a parent, spouse or child in Jamaica. This helps with the cost of airfare or funeral expenses. Support may be available at other times of crisis.
5. We host a breakfast early in June for ministers from Niagara and Lincoln churches to tell them about the programme, to offer an opportunity to meet with Jamaican ministers and to enlist their support in encouraging volunteers from their churches to sign up for our ministry.

This year we also prepared and hosted a 25th Anniversary celebration service at Mountainview United Church. Over 400 Jamaicans and Canadians attended the service. Everyone received an Anniversary t-shirt, through the sponsorship of Jamaica National and worship was joyful and spirit-filled.

Rev. Dave Pritchard (convenor) and Pastor Jim Wright serve on the Project executive. On the Lincoln side Rev. Anita Spiller, Neil Ryckman and Annelies de Groot (treasurer) continue to be involved. On the NOTL side Nancy King, Donna Brown (secretary), Dave & Claudeen Bell and Carol Miller continue. The Jamaican ministers who joined us this year were Rev. Norlene Jackso(May) and Rev Wayne Wisdom (June)

We will be making some changes in the coming year and each side will have a different outreach, but will continue to care for workers and shre the love of Christ with our offshore friends and newcomers. We continue to look for leaqders and helpers in Lincoln and Niagara-on-the-Lake who can assist us in our shared ministry. Please contact me (information above) to join us.
