Los Angeles' Premiere Maternity Portrait Experience

PANOS

Productions Photography

HI, I'M KATIE

First of all, congratulations on expecting! This is your biggest moment.

This is an amazing time for you and I am excited that you are considering Panos Photography to make images of this milestone that will last a lifetime.

You may not have thought about it, but how often will you be in this beautiful state? Don't miss out on portraits of this.

This is YOUR time to celebrate your motherhood and the anticipation you have for the biggest love affair ever...your baby!

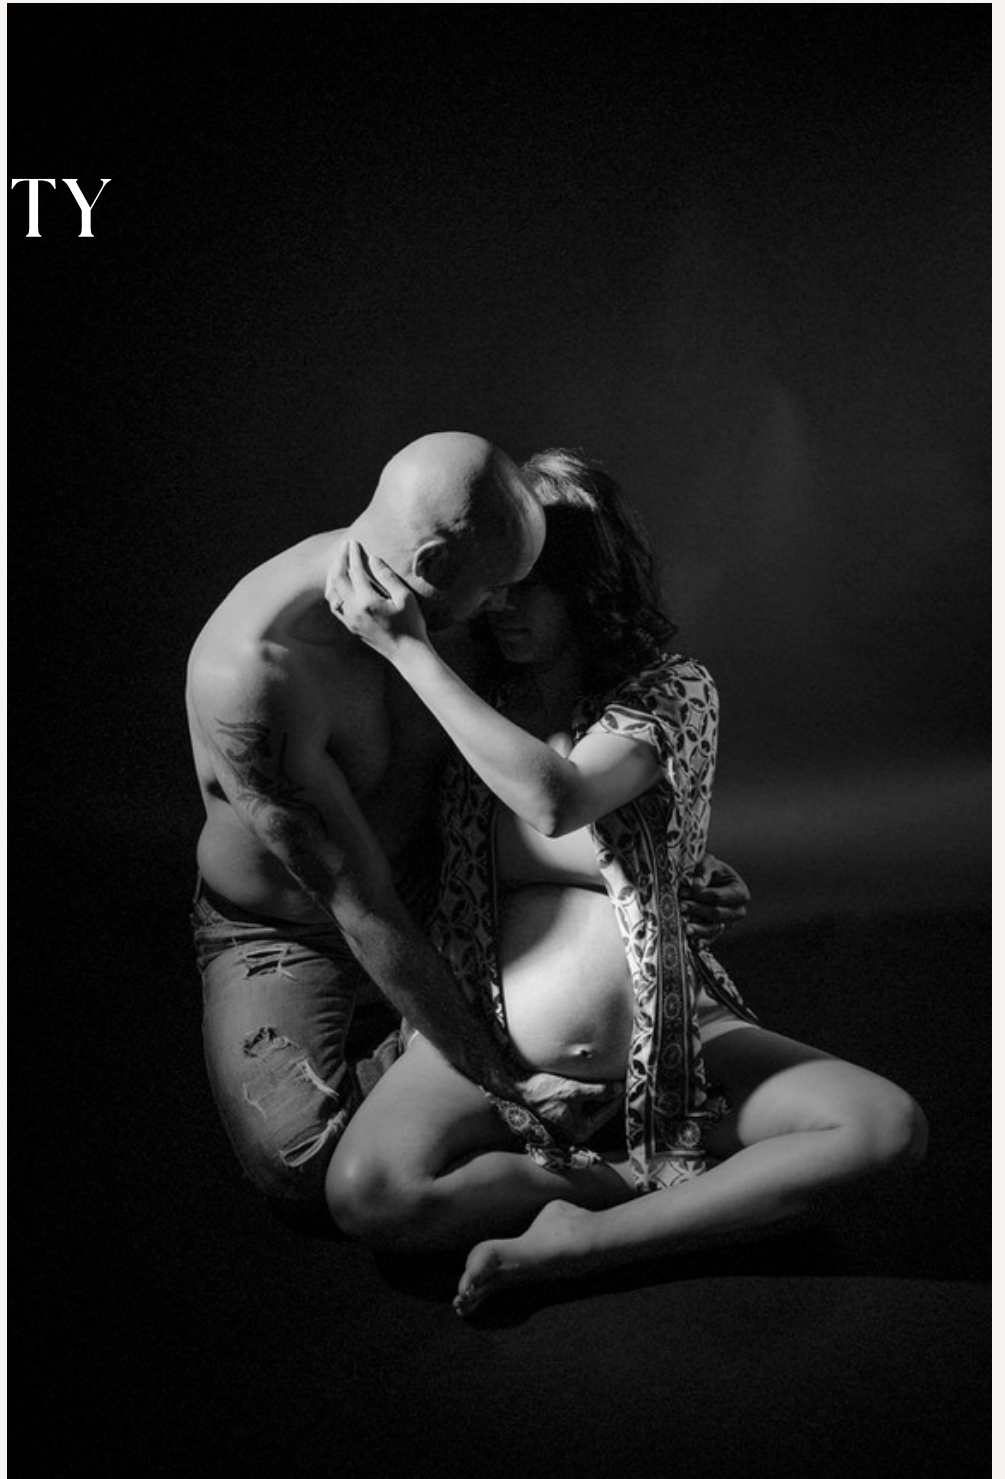

Browse this magazine, learn about our portrait process, see what makes us different, and we look forward to photographing you during this miraculous time.

The PPP

MISSION

To serve you the best way possible

Help Every Step Of The Way

Every session begins with a consultation. From there we will guide you through the portrait process with design guides, color pallettes, and clothing fitting session to be sure everything is just right.

We Won't Rush Your Session

Katie works with clients at their pace. Whether you warm up to the camera right away or it takes some time, it's no problem. We work until the best possible portraits are made.

Live Portrait Design

Taking your portraits is half the fun. During your image premiere we will offer professional guidance to select the perfect art products for you. From stunning canvas collections to gorgeous gallery albums and included digitals, we have something for everybody.

Stress Free Planning & Prep

Whether you need make up or want a spray tan to even out your baby bump, we have the connections to refer you to excellent hands.

WE BELIEVE

Your maternity portraits are one of your first experiences as a family together. Your session is a memory in and of itself.

FAQ

When Should I Book?

Book EARLY. Plan for week 30-32
The first step is to book your in person consultation at our studio in Los Angeles/Glendale. At this time we will discuss your vision and get a date on the calendar.

FAQ

I Have a Special Location in Mind. Can We Use it?

Possibly. It depends on your plans for the rest of the session. Mention it during your consultation and we will do our best to incorporate it. We love to make sessions unique if it fits in the timeline and session chosen.

FAQ

Can my other children come?

Of course. Dads, partners, siblings are all welcome. Be sure to mention everyone you want in your session at the consultation.

LUXE PORTRAIT

ART

At PPP, We
believe in
printed
memories

Each product we offer is
custom designed and
handcrafted with the
utmost attention to
detail. Your images will
stand the test of time

Your portraits are meant
to be shared and loved.
When you show your
baby these, they will
know how much you
anticipated them and
were
excited to be their mom.

Showcase this time with a canvas display.

And when your baby arrives, we can take their newborn photos and create art for their nursery.
