

October 2025 Newsletter

Please note: in place of our October meeting at Greater Portland Bible Church, we are all welcome to attend the ICR Creation Conference **Oct. 17 & 18** at **Southwest Bible Church** in Beaverton, 14605 SW Weir Road, Beaverton, Oregon.

The Institute for Creation Research is charging a nominal registration fee, but read on for a promo code good for a discount.

**Please let your church know about this conference.
Would they like to play the video above?**

DSA has invited the [Institute for Creation Research](#) to hold this conference in the Portland area and we need to get word out to local churches to let their congregations

know about it!

The conference is **Friday** evening **October 17** and all day **Saturday October 18** at **Southwest Bible Church** at [14605 SW Weir Road, Beaverton](#). More details along with registration (needed) for the conference are at <https://www.eventcreate.com/e/portland-creation/>

A nominal fee is payable to ICR to register for this conference. Use the **promo code** DSA10 to save 10%. If you are able to help as a **volunteer** at the conference, then see below about contacting us for a different **promo code**.

ICR is incurring significant **financial expense** in flying multiple scientists and staff out here for this conference. DSA is contributing to only a portion of that expense and if you would like to share in that, please attach a note with your donation at our upcoming **November** meeting, or for an [online donation](#), please let us know by [email](#) that you would like your donation ear-marked for the conference. Thank you for your support. We believe and are praying that this conference will be a great encouragement for the local Christian community that the Holy Bible **IS** true and accurate in **ALL** details of creation!

## **Also, volunteers are needed for the conference**

ICR scientists and other speakers are coming from Dallas, Texas for the conference but **DSA is providing the volunteers. Your help is needed!** Please pray about in what role you may be able to serve:

**Greeter**

**Registration**

**Book Sales**

**Lunch/Snack Tables**

Please let us know you are volunteering by filling out a response form at [www.designscienncenw.org/volunteer](http://www.designscienncenw.org/volunteer) Times and details of the conference are on there too. We will then email you a **promo** code you may use in registering with ICR at <https://www.eventcreate.com/e/portland-creation/>

Again, please:

- 1) let us at DSA know you are going to volunteer
- 2) wait for a promo code from us

3) register with ICR for the conference.
