Ape Men: Real or Pretend?

Did we evolve from ape-like creatures? Was Lucy (*Australopithecus afarensis*) really our ancestor? What about Ardi? Join us as we search for answers to these important questions. This presentation is designed for audiences of all ages.

Dave is bringing with him ICR **Dinosaur Activity books** for the kids.

Three New Christian Films Coming Out This Year

In theaters **now** and possibly through next weekend is [A Great Awakening](#) about British evangelist **George Whitefield** and his friendship with **Benjamin Franklin**. Whitefield was used by God to spiritually prepare the population of the thirteen colonies for independence from England. At one time about 80% of all American colonists had heard George

Whitefield preach at least once.

Produced by Sight & Sound Films which produces full length feature films that tell true stories of historical figures who changed the world because Christ first changed them. Times and locations of showing may be found at www.agreatawakening.com

DSA's own **Kyle Justice** and his twin brother Shawn are completing a film

in **July** to celebrate the 250th birthday of the United States of America. It's a docu-drama titled **The Founders**. They are currently raising funds to help finish the film. Check out the fundraiser and a short trailer at <https://thefoundersmovie.com/>

Genesis Apologetics, of which this month's DSA speaker is Vice-President, is releasing sometime this year **Out of Babel** which covers what happened after the Flood and carries the Biblical narrative all the way to the 1620s when the Pilgrims came to America and were introduced to the Walam-Olum (or "Red Record"). A trailer is at YouTube under [Out of Babel Trailer](#)

Col. Jeffrey Williams' Museum Project

We heard at the October ICR Conference of the vision that **Col. Jeffrey Williams** (U.S. Army, retired) has of a science museum in this area. That vision now has a name: the **PNW Science & Wonders Center** and with a website: www.spaceflightfoundation.org It is a collaborative mission and whether you give of your resources or your time, you are helping build a legacy of truth in the Pacific Northwest.
