VATICAN CITY — Pope Leo XIV's prayer intention for June, a month devoted to the Sacred Heart of Jesus, is "that the world might grow in compassion."

"Let us pray that each one of us might find consolation in a personal relationship with Jesus, and from his heart, learn to have compassion on the world," the pope prays in English in his first contribution to "The Pope Video," a monthly reflection published by the Pope's Worldwide Prayer Network. The video, released June 3, also includes an original prayer people can recite daily during the month.

"You showed us the Father's love by loving us without measure with Your divine and human Heart," the prayer said. "Grant all Your children the grace of encountering You. Change, shape and transform our plans, so that we seek only You in every circumstance: in prayer, in work, in encounters and in our daily routine," the prayer continued. "From this encounter, send us out on mission, a mission of compassion for the world in which You are the source from which all consolation flows."

The Pope's Worldwide Prayer Network, formerly known as the Apostleship of Prayer, is a global movement of people who make a commitment each day to pray for the pope's intentions.

Jesuit Father Cristóbal Fones, director of the prayer network, said Pope Leo's intention "focuses on growing in compassion for the world through a personal relationship with Jesus."

"By cultivating this truly close relationship, our hearts are more conformed to His. We grow in love and mercy, and we better learn what compassion is," Father Fones said. "Jesus manifested an unconditional love for everyone, especially for the poor, the sick and those who were suffering. The pope encourages us to imitate this compassionate love by extending a hand to those in need."

In a statement accompanying the video, Father Fones also pointed out that during the Holy Year 2025, "The Pope Video acquires special relevance since through it we know the prayer intentions the pope holds in his heart. To properly receive the graces of the Jubilee indulgence, it is necessary to pray for the pope's intentions."

St. Vincent de Paul Reflection

In today's Gospel, the apostles suggest that Jesus dispense the hungry crowd so they can go and try to find food. But Jesus responds, "**Give them some food yourselves.**" This is the beginning of the Miracle of the Multiplication of the loaves and fish, but it is also Jesus' instruction for how we should follow Him. In Luke 3:11, Jesus again instructs us to share our food with those in need.

Our own share in God's abundant gifts to us demands that those gifts spill out for those in need.

Today's Gospel moves from the practical, tangible level to the mystery of God's abundance

Your donation to the Society of St. Vincent de Paul provides food to the poor, and helps bring God's love to those who need it most.

This week, our food pantry is in need of crackers, jelly, and oatmeal.
