TPS out and about

TPS students kicked off Term 4 with adventures and community connections. On October 6, a second group of Grade 5/6 girls explored Echuca Moama, walking the two bridges, enjoying ice cream and lunch at Moama Bowling Club, then cruising the Murray on a paddle steamer. Meanwhile, Boys to the Bush began the term with a trip to Elmore Field Days for plenty of fun and discovery. On October 7, Grade 4 students lent a hand during their weekly IGA visit, building valuable skills, while 2/3A spent time with aged care residents, sharing a game of bingo with a difference!
