

A wild day out!

Tongala Primary School students were on the road before sunrise on September 16 for a whole-school adventure to Melbourne Zoo.

Incredible animals, plenty of laughs and big smiles filled a memorable day of exploring together.

The bus ride home was noticeably quieter, with tired faces and a few closed eyes after all the excitement! The school thanked its Parents and Friends Committee, whose fundraising efforts helped make the excursion possible and gave students a day of memories to treasure.
