

TPS out and about

TONGALA PRIMARY SCHOOL
BELIEVE • ACHIEVE • GROW

Learning has taken students well beyond the classroom, with a range of hands-on experiences across the wider community. Our Grade 2/3 students enjoyed a taste of Italian culture at the Kyabram Bocce Club, learning Raffa Bocce before sharing pasta and gelato. Grade 4 students continued their weekly visits to Tongala IGA, gaining an insight into supermarket operations while building confidence, practical skills and community connections. Girls Empowered enjoyed a special day exploring emotional regulation, connection and reflection with visits to the Port of Echuca, Twin Rivers Cafe and Little Tree, while Boys to the Bush discovered how homes are constructed through visits to a roof truss manufacturer and building site. Each outing offered new experiences, valuable learning and plenty of fun.
