

EVIDENCES AND BIBLICAL HELP SEMINAR

- Did humans really walk with the dinosaurs?
- Did man evolve from some ape-like creature?
- Do we see design in the universe?

We know what the textbooks say, but we are inviting you to come examine the real evidence.

Come join us for this free seminar and see how atheism is affecting American families! In this powerful seminar, Dr. Brad Harrub will peel back the curtain of pseudo-science and challenge your worldview. Make plans to join us!
