# Note to Parents

Now past 30 years of the Team Parent Handbook and we are happy to have been having it as a guide to our items we offer to our little league teams. In the past we handed out printed copies but demand and interest in that has diminished so we have them on our website for download as a .pdf file. If you're looking for hoodie's, jackets or practice tees you can find all the info here.

Feel free to email us with any questions [contact@sportaboutgraphics.com](mailto:contact@sportaboutgraphics.com)

As you are probably aware prices have gone up on pretty much everything. We are doing our best to keep our prices reasonable. There is a 12 piece minimum for all spirit wear or practice tee orders. We recommend you order at least the minimum to avoid any setup fees. The reason why is that orders take a long time to setup and ordering a few extra items will save you in the long run.

Once your order is placed, you cannot add on to it so please make sure you have everything together before you submit it. We do offer multiple ways to place and pay for your orders. You can go on to our website and download an order form to submit with the forms that are attached to this handbook. We can take payment over the phone for online orders. We recommend walk-ins if it is your first time ordering so that you can talk to someone in person and even get a physical look at the items.

# PREMIUM SWEATSHIRTS
