

# OUR LADY OF VICTORY CHURCH MEMORY GARDEN

## Memory Garden Bricks

Our Lady of Victory Church is offering engraved Memory Bricks to honor past and present parishioners as well as, friends of the parish. These bricks will allow an expansion of the Memory Garden. These brick pavers will be a lasting memory, a testimony of love and faith for those who use the Memory Garden as a place for prayer and renewed peace.

Each engraved brick has an allowance of 15 characters per line. the smaller brick allows two lines, while the larger brick allows 3 lines. Spaces and punctuation count as a character. It is suggested that you inscribe only one or two names per brick for greater legibility.

## ORDER FORM ON THE BACK OF THIS FLYER
