

Team Hutt 2026 – Coaches

Chris – Program Director

Excited to kick off a new ski season at Team Hutt, leading a dynamic crew of new and returning coaches, and promising athletes.

With fresh energy and a shared passion for performance, we're focused on building a strong team culture, pushing boundaries on the slopes, and achieving new personal bests.

Here's to a season of growth, grit, and great snow!

Thommy – 2026 FIS Coach

Born in Canada, but grew up in the heart of the Swiss alps. Living next door to a ski resort I quickly learned to ski and made it my passion.

I am currently juggling between coaching for my hometown ski club, and my IT engineering studies at uni.

In general I like to take life with philosophy, but I still value structure and good organization. Helping athletes get closer to their dreams is what motivates me.

I love to cook, fix stuff, and spending time in the mountains.

See ya on the slopes eh

Todd – 2026 U16 Coach and Team Leader

With over 20 years of coaching experience, I am a dynamic and results-driven Race Coach dedicated to developing athletes from U10 through to senior Alpine FIS levels. My coaching career has spanned both hemispheres, allowing me to build and lead high-performance training environments that prioritize athlete development, safety, and progression.

I specialize in structured planning, fostering athlete-centered relationships, and cultivating a collaborative coaching culture. Over the years, I've implemented training strategies that have significantly enhanced athlete performance while maintaining ethical coaching practices and a strong focus on long-term development.

Outside of skiing, I enjoy fly fishing, small game hunting with my dogs, and mountain biking—activities that reflect my passion for the outdoors and help maintain a balanced, active lifestyle year-round.

I'm excited to bring my extensive experience, leadership, and dedication to Mt Hutt's alpine program, contributing to its continued excellence and helping the next generation of skiers reach their full potential

Henri – 2026 U14 Coach

Hello! My name is Henri, and I am the U14 coach for the 2025 season. This will be my third season coaching with Team Hutt. I've spent the majority of my life racing or coaching. I raced throughout children's categories and pursued four seasons of FIS before making the switch to coaching.

The biggest thing I get out of coaching is seeing the athletes having fun while learning not only about skiing but also about life. I strive to create an atmosphere where everyone helps everyone as team-mates working together to shape an enthusiastic and fun environment.

If you are new or returning, I can't wait to ski with you all this season, and I hope you are as keen as I am to get the 2025 season in full swing!

Simon – 2026 U12 and U10 Coach

My name is Simon and I am from Salt Lake City, Utah. My favourite place to ski has been Park City lately.

I have never skied in New Zealand and I am very excited to coach with Team Hutt.

I'm looking forward to building on my coaching experience, and working with up and coming young racers.

Louie – 2026 Coach

Hey, my name is Louie, and I'm from Tasmania.

I'm very keen to be coming back to Team Hutt for my second season. I had a great time last year and I'm looking forward to working with the coaches and seeing the athletes progress again.

Josh – 2025 Sundays Coach

I am Josh and I will be coaching Sundays this season.

I was a Team Hutt athlete for 9 years and have been skiing at Mt Hutt for most of my life. In the summer I enjoy Rowing.

I am excited to get to know my athletes over the season and looking forward to having some fun skiing.
