- A day will be considered scored if one Olson 25 completes one of the designated event races on the day.
 - Boats who do not complete an event race on a given day will receive a day score equal to the last boat scored+1.
 - The season schedule includes 10 race days. If 9 or more days are scored, each boat's lowest score is dropped (1 throwout). If 8 or fewer days are scored, all scores count.
 - In the event of a PHRF division start, all class rules will apply and score will be determined by Olson 25 finishing order.
