

## **MEMBERSHIP BOUNDARIES**

The Boys & Girls Club of Portage County asks all Club parents to comply with our membership boundaries to better balance attendance at each of our Clubs sites. Regardless of which Boys & Girls Club your child(ren) attends, the Boys & Girls Club will continue to provide a safe and supervised environment with trained staff, quality programming, nutritious meals and snacks, and of course, lots of fun!

During summer school registration you are asked to choose your pick-up and drop-off location for busing. If you intend to have your children attend our Boys & Girls Club before or after summer school, we ask you to comply with our membership boundaries and choose your pick-up and drop-off sites relative to your designated Club site.
