IMPORTANT INFORMATION ABOUT YOUR RAYMOND JAMES RELATIONSHIP SUMMARY

This Raymond James Relationship Summary provides a summary of the value of:

- investment accounts at your Raymond James broker-dealer (Raymond James & Associates, Inc. ["RJA"] and/or Raymond James Financial Services, Inc. ["RJFS"]) as custodian, subcustodian (including as subcustodian for Raymond James Trust Company of New Hampshire ["RJTCNH"], a trust company licensed by the New Hampshire Department of Banking, and that serves as IRA custodian), or introducing or carrying broker; and
- your cash on deposit at FDIC-insured institutions held through the Bank Savings Programs (including the Enhanced Savings Program and the Select Savings Program) offered by Raymond James Bank ("RJ Bank") (Member FDIC).

RJA, RJFS, RJTCNH, and RJ Bank are affiliates and are wholly owned subsidiaries (directly or indirectly) of Raymond James Financial, Inc. You may have other accounts or relationships with a Raymond James entity that are not included in this Relationship Summary.

This Relationship Summary is provided for your convenience and includes assets that may not be held by your Raymond James broker-dealer. The Relationship Summary is not an official customer account statement for any of the asset values or accounts summarized here, and it is important that you read and understand the official statements for each account referenced here, including any official statements you may receive from other financial institutions that hold your assets. If you see any discrepancy between your official customer account statements and information in this Relationship Summary, or have any questions about this Relationship Summary or any other client service needs, please contact your Financial Advisor, or Raymond James Client Services at 800.647.7378.

Investment accounts at your Raymond James broker-dealer

RJA and RJFS are broker-dealers registered with the United States Securities and Exchange Commission and the Financial Industry Regulatory Authority ("FINRA"). For each of your Raymond James broker-dealer investment accounts shown on page 2 of this Relationship Summary, you are receiving an official customer account statement (an "RJ Broker-Dealer Account Statement") for that account with this Relationship Summary. Each RJ Broker-Dealer Account Statement has information, including a section titled "Understanding Your Statement," that is also important to understanding this Relationship Summary.

Investment accounts covered by the Relationship Summary - Your Raymond James broker-dealer investment accounts shown on page 2 are a set of accounts for which Raymond James delivers statements as a single packet on a "household" basis. The accounts may not all have the same titling and legal ownership. For example, page 2 may include accounts in your individual name; joint accounts of you and a family member or other person; individual-name accounts of that family member or other person; accounts for an entity or trust over which you have authority; and other titling/ownership for which your Raymond James broker-dealer may, and currently does, deliver statements as a single packet. The "Account Name" field on page 2 is simply a short descriptor reference chosen by you or your financial advisor, but the RJ Broker-Dealer Account Statement for each account provides exact titling information for that account.

Securities Investor Protection Corporation ("SIPC") - RJA and RJFS are members of SIPC, which protects securities customers of its members up to \$500,000, including \$250,000 for claims for cash held at the SIPC-member broker-dealer. Money market fund shares are not considered cash for this purpose; they are securities. Account protection applies when a SIPC-member firm fails financially and is unable to meet obligations to securities clients, but it does not protect against market fluctuations. You may obtain information about SIPC, including an explanatory SIPC brochure, by calling SIPC at 202-371-8300 or visiting <http://www.sipc.org>. SIPC coverage is not the same as, and operates differently from, FDIC deposit insurance. Please note that, unless otherwise specified, investment products purchased from or held at your Raymond James broker-dealer:

- are not insured by the FDIC,
- are not deposits or other obligations of, or guaranteed by, RJ Bank or any other FDIC-insured depository institution, and
- are subject to investment risks, including possible loss of the principal invested.

Cash on deposit at FDIC-insured institutions through Bank Savings Programs offered by RJ Bank

- The Enhanced Savings Program offers clients up to \$50 million in FDIC coverage in deposit accounts at third party FDIC-insured depository institutions.
- The Select Savings Program Deposit Account offers clients up to \$250,000 in FDIC coverage in a deposit account at RJ Bank.

Enhanced Savings Program:

Under the Enhanced Savings Program (the "ESP Program") offered by RJ Bank (Member FDIC), RJ Bank deposits your funds into interest bearing FDIC-insured deposit accounts at third party FDIC-insured depository institutions (each, a "Destination Institution" or "DI"). RJ Bank acts as your agent and custodian in establishing and making deposits to and withdrawals from these deposit accounts (the "DI Deposit Accounts") at the Destination Institutions. Under the terms of your Raymond James Bank Enhanced Savings Program Customer Agreement, the amount of your deposit placements at a DI will not exceed \$250,000. The DI Deposit Accounts are deposit obligations of the Destination Institutions only and are not deposit obligations of or guaranteed by RJ Bank. One or more deposit accounts at RJ Bank (the "ESP RJB Deposits") will also be established to facilitate your deposits and withdrawals in the ESP Program.

Statements for your DI bank deposits, transaction history relating to deposits to or withdrawals from your ESP RJB Deposits, and a listing of the FDIC-insured depository institutions participating in the ESP Program are available in electronic format and accessible to you through the Depositor Control Panel accessed via Client Access at <https://www.raymondjames.com/clientaccess>.

For more information regarding the ESP Program, please review your RJ Bank Enhanced Savings Program Customer Agreement and RJ Bank's Enhanced Savings Program Disclosures. If you have questions regarding the ESP Program, please contact RJ Bank Customer Service at 1-800-718-2265, option 4, business days from 8:30-5:30 PM United States Eastern Time.

Your deposits in the ESP Program are insured by the FDIC up to \$250,000 per insurable capacity per bank, subject to applicable FDIC rules and limitations. This \$250,000 limit includes principal and accrued interest per depositor, when aggregated with all other deposits held in the same insurable capacity (e.g., individual accounts, joint accounts, trusts, business entity accounts) at a bank. You may obtain further information about FDIC deposit insurance coverage by visiting the FDIC website at <https://www.fdic.gov> or by contacting the FDIC by letter, email, or telephone.

Securities Investor Protection Corporation - Raymond James & Associates, Inc. is a member of the Securities Investor Protection Corporation (SIPC), which protects securities customers of its members up to \$500,000, including \$250,000 for claims for cash. Money market fund shares are not considered cash for this purpose; they are securities. You may obtain information about SIPC, including an explanatory SIPC brochure, by calling SIPC at 202-371-8300 or visiting <http://www.sipc.org>. Raymond James & Associates, Inc. has purchased excess SIPC coverage through various syndicates of Lloyds, a London-based firm. Excess SIPC coverage is fully protected by the Lloyds trust funds and Lloyds Central Fund. The additional protection currently provided has an aggregate firm limit of \$750 million, including a sub-limit of \$1.9 million per customer for cash above basic SIPC. SIPC coverage is not the same as, and operates differently from, FDIC deposit insurance. Account protection applies when a SIPC-member firm fails financially and is unable to meet obligations to securities clients, but it does not protect against market fluctuations.

Raymond James & Associates, Inc. and Raymond James Financial Services, Inc. are affiliated with Raymond James Bank, member FDIC. Unless otherwise specified, products purchased from or held at Raymond James & Associates or purchased from Raymond James Financial Services are not insured by the FDIC, are not deposits or other obligations of Raymond James Bank, are not guaranteed by Raymond James Bank, and are subject to investment risks, including possible loss of the principal invested.

Securities/Investment Pricing - Raymond James endeavors to display pricing information where available, but pricing source, type of product, and market for the product are important to consider regarding the reliability and accuracy of any price displayed. Although sources used for pricing publicly traded securities and other investments are considered generally reliable, the prices displayed on your statement may be based on historical trades, bid/ask information, third-party evaluations, or other methodologies. Therefore, the prices displayed on your statement may or may not reflect prices you would receive in the current market. **By including a price for any non-publicly traded private securities in the statement, Raymond James makes no representation regarding the accuracy, reliability, completeness or attainability of such pricing. Although we seek third-party sources where possible, in some circumstances the pricing may be based on representations made by the security issuer and therefore may not be obtained from or based on an independent or third-party source.** Pricing of non-publicly traded private securities may be subjective and

based on varying methodologies or assumptions, and accordingly, may not be reliable and should not be considered proof of liquidity at any particular price. You should evaluate independent sources to confirm the valuation of such securities. Investment decisions should be made only after contacting your financial advisor.

Both the SEC and the MSRB publish websites containing information and resources designed to educate investors. In addition to educational materials about the municipal securities market and municipal securities market data, the MSRB website includes an investor brochure describing protections that may be provided by MSRB rules, including how to file a complaint with the appropriate regulatory authority. Understanding Your Statement (continued)

Third Party Payments Disclosure - In addition to the fees you pay directly for the services offered by Raymond James and your advisor, Raymond James receives fees from various sources. For more information on fees and expenses, please see <https://raymondjames.com/legal-disclosures/third-party-payments>.

Cost Basis - Investment gain or loss reflects the unrealized gain or loss using adjusted cost basis. Adjusted cost basis may or may not reflect adjustments for return of principal/capital or accretion/amortization. Reinvestments of dividends or capital gain distributions are included in the adjusted cost basis calculation of the unrealized gain/loss with the exception of open end mutual funds. Cost basis for open end mutual funds does not include reinvested dividends or capital gains for calculating unrealized gain or loss on this statement. Clients who have elected the average cost reporting method will have the average cost per share of all tax lots applied to the cost basis used for calculating the unrealized gain or loss. Realized gain/loss information found under the Important Messages section includes the cost basis of reinvested dividend and capital gains in the calculation for all security types. Realized gain/loss does not reflect long term capital gain distributions from mutual funds. For taxable accounts, including those that receive information only 1099's, short term debt instruments that result in a capital gain will generally not appear on the realized gain loss report, as those amounts are reported as ordinary income on the year end 1099. Market Discount is generally not reportable as a realized gain/loss amount, as it is also reportable as ordinary income on the year end 1099. Gain or loss information is displayed on this statement for your information only and should not be relied upon for tax reporting purposes.

Cost basis for 529 accounts is provided as informational only and year end 1099Q reports are prepared independently from cost basis data shown on the brokerage statement.

A missing G/L calculation indicates that some or all of the tax lots for that position are missing cost basis. Please contact your financial advisor to have missing cost basis information added to your account.

For securities classified as Grantor or Royalty Trusts, Master Limited Partnerships or other widely held fixed income trusts, cost basis is not adjusted. These securities receive principal payments or distributions that are classified differently by the issuer at the end of the year. Clients should continue to rely on the issuer information for both cost basis adjustments as well as proceeds adjustments for these securities. For this reason the gain/loss displayed will be unadjusted and is not a true indicator of the investment return. Any adjustment to sales proceeds will be reflected on your 1099.

Effective January 1, 2011, Raymond James reports adjusted cost basis for securities currently covered by the Emergency Economic Stabilization Act of 2008 to the IRS on Form 1099-B. Raymond James will default to the first-in, first-out (FIFO) cost basis accounting method for trades and transfers unless a different method has been selected. Adjustments made to your cost basis throughout the year may cause the information displayed on the client statement to differ from what is reported on the 1099-B which is provided to the IRS at the end of the year.

For tax lots or securities that are not covered by the Emergency Economic Stabilization Act of 2008, cost basis information may not be available, may have been estimated by you or your financial advisor, or may have been obtained from third-party sources, and in these instances, Raymond James cannot guarantee its accuracy. Information for uncovered positions will not be reported to the IRS.

Client Interest Program - The Client Interest Program (CIP) is an on-demand alternative for client cash that is held for future investment. As required by the U.S. Securities and Exchange Commission Rule 15c3-3, "The Customer Protection Rule," Raymond James segregates client cash from firm cash. The client

cash that is set aside is required to be held in bank accounts or in certain high-quality U.S. Government securities. CIP balances are included in the coverage provided by the Securities Investor Protection Corporation (SIPC) and excess SIPC. The CIP rate displayed in the Cash & Cash Alternatives section of your statement is the established rate for the last business day of the reported month. However, in the event that a large deposit is made on the last business day of the month, the rate for the next business day may be displayed. Estimated Annual Income is calculated using this rate and, therefore, is solely an estimated value for the month and may not reflect your actual income. For current rates visit <http://www.raymondjames.com/rates.htm>.

As a reminder, Raymond James may modify or amend the Cash Sweep Program including the terms, conditions and availability of any Cash Sweep option at any time in its sole discretion by providing you with thirty (30) days' prior notice, or in some cases, as set forth in your account opening documentation, no prior notice.

Dollar-Weighted Performance Reporting - The dollar-weighted performance results represented in this statement are based on performance calculations that take into account the impact of deposits and withdrawals. Because these cash flows are beyond the control of the advisor, they should not be used to evaluate his/her performance. Returns exclude some limited partnerships, unpriced securities and annuity history prior to the annuity being linked to the account. Performance returns are calculated net of management fees, if applicable. Returns for periods greater than one year are annualized returns unless they represent entire 12-month periods. All performance figures exclude unpriced securities (including securities of indeterminate value), limited partnerships (other than limited partnerships classified as Alternative Investments and appearing in that section of your statement). Performance for Annuity and RJ Bank CD's may not be all inclusive. Considering these exclusions, overall performance may be different than the results presented in this statement. Past performance is not a guarantee of future results. Information used to calculate performance may have been obtained from third party sources and Raymond James cannot guarantee the accuracy of such information.

Raymond James Bank Deposit Program - The Raymond James Bank Deposit Program is a multibank cash sweep program that deposits available cash in your brokerage account into interest-bearing deposit accounts at one or more banks. Raymond James Bank Deposit Program balances are insured solely by the Federal Deposit Insurance Corporation (FDIC), subject to FDIC limitations and guidelines, which are explained at <https://www.fdic.gov>. If you elected the Raymond James Bank Deposit Program as your sweep option, then any balance in a bank deposit account in the RJBDP can, on your order, be liquidated and the proceeds returned to your securities account or remitted to you.

The Raymond James Bank Deposit Program rate displayed in the Cash & Cash Alternatives section of your statement is the established rate for the last business day of the reported month. However, in the event that a large deposit is made on the last business day of the month, the rate for the next business day may be displayed. Estimated Annual Income is calculated using this rate and, therefore, is solely an estimated value for the month and may not reflect your actual income. For current rates visit <http://www.raymondjames.com/rates.htm>.

"Your bank priority state" indicates the corresponding Bank Priority List that applies to your account. "RJBDP participating banks you declined" displays the names of the banks you have designated as ineligible to receive your funds, which results in your funds being directed to the next bank on the Bank Priority List. "Participating banks recently added" displays additional banks that have been added to the program in the last 90 days. You have the right to designate any bank in the program as ineligible to receive your

Understanding Your Statement (continued)

funds by contacting your financial advisor.

More information about the Bank Deposit Program, including the current Bank Priority Lists, is available at <https://www.raymondjames.com/rjbdp>.

As a reminder, Raymond James may modify or amend the Cash Sweep Program including the terms, conditions and availability of any Cash Sweep option at any time in its sole discretion by providing you with thirty (30) days' prior notice, or in some cases, as set forth in your account opening documentation, no prior notice.

Estimated Annual Income and Estimated Income Yield - The Estimated Annual Income (EAI) and Estimated Income Yield (EIY) provided on this statement are an estimate of the income a security will distribute during the year. These figures should not be

confused with actual cash flows, investment yields or investment returns. Actual income or yield may be lower or higher than the estimated amounts. A number of factors may influence the actual income or yield that is received. The amount or frequency of an issuer's dividend may fluctuate or cease, which may cause the income and or yield of the security to fluctuate. EIY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate. EAI and EIY for certain types of securities could include a return of principal or capital gains which could overstate the EAI and EIY. Information used to calculate Estimated Annual Income and or Estimated Income Yield may be obtained from third party sources and Raymond James cannot guarantee the accuracy of such information. Estimated Annual Income and or Estimated Income Yield amounts should not be used as a financial planning tool.

Authorization to provide duplicate statements and/or confirms

You may authorize Raymond James to distribute duplicate statements and/or confirmations for an account to a third-party. If you do, you acknowledge that the third-party recipient, where applicable, is responsible to ensure they (a) take all steps necessary to maintain confidentiality of the statements and/or confirmation provided; (b) comply with applicable state and federal data privacy laws in connection with the receipt of statements and/or confirms and use of any personal information on such statements and/or confirms; and (c) maintain effective information security measures to protect against incidents of unauthorized access to, use or loss of the statements and/or confirms, including but not limited to notifying you in the event of any unauthorized loss, access to, or use of your statements and/or confirms. Raymond James's provision of any duplicate statements and/or confirms to the requested third-party recipient is provided "as is" without any express or implied warranties. Authorizations will remain in effect until amended or revoked by you. You acknowledge that you are responsible for alerting Raymond James to amend and/or revoke any previously authorized third-party recipients.

Payment for order flow

SEC Rule 607 of Regulation NMS requires broker/dealers to disclose at account opening and annually thereafter their policies regarding payment for order flow and order routing practices. If specific routing instructions are not received from you, Raymond James policy is to route orders to the market center or designated broker/dealer intermediary where it believes that the client receives the best execution, based on a number of factors. The potential for receipt of order flow payment or trading profits is not a factor in this decision.

Raymond James & Associates (RJA) receives payment for order flow in the form of discounts, rebates, credits, or a reduction to the fees charged for directing transactions to certain market centers or designated broker/dealer intermediaries. RJA does not receive payment for all orders or for all shares or contracts associated with each order. At times, the amount of such remuneration received for orders may exceed the amount RJA is charged by such market centers or designated broker/dealer intermediaries. This compensation, estimated to total approximately \$3.484 million for calendar year 2024, is received in a number of ways, including direct cash payment of a fraction of a cent per share for equity trades and direct cash payments per contract for options. The source and specific amount of any such compensation are available upon written request. For information regarding payment for order flow and Raymond James' order routing practices, please visit http://www.raymondjames.com/order_routing.htm.
