ADDITIONAL PCSO PATROL CALENDAR:

The Committee approved the February and March additional patrol calendar.

Received several emails regarding golf carts being pulled over for not having plates. The Committee's concern is with minors without a driver's license operating the golf cart on ELWCA roads. ELWCA policy mirrors both the State and County laws. The committee members asked how PCSO distinguishes between a golf cart and an LSV. Deputy Guzman stated LVS must be registered.

The Committee request citations be given for vehicles speeding over 15mph over the speed limit. Deputy Guzman stated it is the officer's discretion to give a citation or a warning. There are other deciding factors at play when determining if a citation or a warning is given.
