

LIFETIME & LIMITED LIFETIME WARRANTY

At Ma's Auto Body, we are prominent with the highest standards we perform towards service, mechanical repair, auto body repair, and most of all, our lifetime and limited lifetime warranty. You are receiving the finest possible repair and warranty when you take your vehicle to any Ma's Auto Body location. Ma's Auto Body has a remarkable reputation and thus we give every customer a copy of warranty to protect our valued customer.

Ma's Auto Body offers a limited lifetime warranty against defects in materials or workmanship affecting the quality and function of its service when used in the correct manner for as long as you own the vehicle. All services performed must not have been misused, improperly set-up, or been abused after existing the shop for this warranty to apply. Ma's Auto Body reserves the right and determination is solely ours and its obligation will be to repair or replace the defective product/correct any problems found with the repair. Purchaser acknowledges the suitability of all service/repairs performed usage and assumes all risk and liability, whereas neither the seller nor manufacturer shall be held liable for any injury, loss or damage from the use of the product.

Ma's Auto Body ensures limited lifetime warranty for as long as you own the vehicle, thus warranty will become invalid once sold or transfer ownership. If a defect is determined as a covered defect, in accordance with the terms of guarantee and warranty, Ma's Auto Body will repair the defect without charging the customer. The limited lifetime warranty shall only apply to the areas and/or surfaces directly repaired, and not apply to any covered defect, which is from the results of any negligence by the customer. Warranty only covers the individual who is the owner of the vehicle at the time when original work was performed and whose name appears on the vehicle repair order only.

Limited Lifetime Paint Warranty shall include only the following defects: cracking, color chalking or fading, extensive loss of gloss caused by hazing, blistering and peeling caused by moisture only. In contrast, warranty on covered defects does not include any other type of defect including: abrasion, scratches, chemical spoiling, rust failures, failure on plastic, original equipment finish failure, and claims without proper documentation.

Limited One Year Mechanical Warranty applies on all mechanical repairs performed by Ma's Auto Body and subjected to warranties from suppliers and manufacturers, Warranty excludes air conditioning, suspension, or other electrical assemblies and

components; warranty also excludes incidental costs, such as towing fees, travel expenses, car rental charges, or assemblies and components which are not specifically covered by this warranty.

This warranty shall be voided if upon inspection and determination by Ma's Auto Body as the service/repair is tampered, altered, or adjusted by any person not authorized/covered by this warranty, in which this warranty is also not transferable.
