

ASTROVERSE

Out-of-This-World Fun Right Here on Earth!

Astroverse by Toysmith is a cosmic collection of space-themed toys that capture imaginations and launch curiosity into orbit. From robot hands and galaxy putty to bendy astronauts and pull-back space shuttles, this line blends science, play, and discovery for stellar shelf appeal.

With options for peggable items, counter displays, and shelf-ready units, Astroverse makes it easy to create a space that sells—no matter how big or small. Perfect for toy stores, gift shops, museums, and STEM-themed retailers looking to offer something universal: fun.
