

Garden Gear for Growing Minds

This thoughtfully designed line invites kids to dig into the natural world with kid-sized gardening tools, bug viewers, bird calls, paint-your-own birdhouses, and more. From hands-on crafts to outdoor exploration, Beetle & Bee blends learning and play with a fresh, modern aesthetic that stands out on shelves.

Whether you're stocking impulse bins or building out a nature-themed display, the collection merchandises beautifully together, making it a smart choice for garden centers, gift shops, museum stores, and toy retailers alike. With Beetle & Bee, you're not just selling tools and toys, you're helping spark a lifelong love of the outdoors.
