

# Maisto

## ***Driven by Detail. Built for Fun.***

Maisto takes die-cast to the next level with head-turning vehicles that look just as sharp on display as they do on the move. From exotic supercars to street racers and high-performance R/C models, every vehicle is built with precision, style, and serious attention to detail.

The die-cast R/C cars offer a modern upgrade with Bluetooth control via a free app, proportional speed for smooth handling, and USB charging for quick, convenient power-ups.

With a wide range of scales, themes, and customization options, Maisto fuels collections and playtime alike—giving customers of all ages a reason to keep coming back for more.
