

TAKE THE FUN OF PLAYING & COLLECTING UP A GEAR

Start your engines—Majorette is bringing high-octane fun to the toy aisle! With a legacy dating back to 1961, this iconic French brand is known for its die-cast vehicles that don't just look cool—they move like the real thing. From sleek street racers and off-road beasts to construction trucks and emergency vehicles, every miniature model is packed with authentic details, moving parts, and serious play power.

Whether kids are racing, collecting, or building their own tiny fleet, Majorette delivers fast-paced excitement in every car. With bold themed collections and designs that pop off the shelf, Majorette is a must-have for every mini motorhead.
