

Tools, Toys & Together Time - Built Right In!

RedToolbox offers a freshtake on DIYplay, combining real tools, realistic pretend sets, and hands-on kits that bring families together through creativity, learning, and fun. From building birdhouses with Stanley Jr. to cooking up playtime recipes with Tasty Jr., our products empower kids to safely explore the grown-up world they admire.

With licensed lines from trusted names like STANLEY®, Scott's Miracle-Gro, Oklahoma Joe's, Char-Broil®, and Tasty, Red Toolbox promotes fine motor skill development, STEM learning, and quality family bonding.

Red Toolbox fits easily into toy stores, hardware retailers, garden centers, and specialty gift shops looking to stock something both educational and engaging.
