

Martinelia

A little Glitter

Martinelia is a whimsical collection of kid-friendly beauty kits made for magical makeovers and imaginative play. From unicorn glosses to mermaid palettes and pastel polishes, every product is designed with little glam lovers in mind—featuring gentle formulas, soft colors, and just the right amount of sparkle.

All Martinelia products are non-toxic, tested, and safe for kids. Our nail polishes are water-based, so they wash off easily—no harsh removers needed. Plus, nothing is overly pigmented, making mess-free fun part of the magic.

A perfect fit for toy stores, gift shops, and boutiques looking to offer trend-forward kits with worry-free ingredients and playful charm!
