

# A Work of Art in Every Envelope!

Santoro has been redefining the greeting card category since 1987 with award-winning 3D designs that are as artistic as they are unforgettable. Crafted in the UK, their revolutionary Swing Cards and Pirouette Cards combine intricate paper engineering with eye-catching visuals to create interactive experiences that leap off the shelf.

More than just a card, each piece is a keepsake—perfect for retailers looking to offer something truly special in their stationery, gift, or impulse sections. Whether spinning, swinging, or standing tall, Santoro cards bring innovation and emotion together in every fold.
