K-12 Performing Arts Teacher (Band, Vocal Music & Theatre)

Mayville Community Schools is seeking an enthusiastic and visionary educator to serve as our K-12 Performing Arts Teacher. We are looking for someone who is passionate about inspiring students through music and the performing arts and is excited to build and grow a comprehensive K-12 program.

Our district currently has a proud tradition of instrumental music supported by an engaged Band Booster organization. This position offers a unique opportunity to expand opportunities for students by strengthening our band program while developing vocal music and theatre experiences for learners of all ages.

Qualifications

- Valid Michigan teaching certificate with a Music Education (PK-12) endorsement (JQ or equivalent current endorsement).
- Demonstrated ability to teach instrumental music across multiple grade levels.
- Experience or interest in developing vocal music and theatre programs.
- Strong organizational, communication, and collaborative skills.
- Commitment to creating an inclusive, student-centered learning environment.
-

Responsibilities

- Teach elementary general music.
- Direct middle and high school instrumental music programs.
- Develop and grow vocal music opportunities for students.
- Build and direct a school theatre and/or musical theatre program.
- Plan and conduct concerts, performances, and community events.
- Collaborate with families, staff, and the Band Booster organization to strengthen and expand performing arts opportunities.
- Recruit and retain student participation while fostering a culture of excellence, creativity, and belonging.
