The staff at each Lanman Funeral Home, Inc. is committed to providing answers to your questions in a clear and understandable manner. Arrangements will be made to meet your individual wishes. An explanation of all available options will be provided. Price and payment methods will be explained during the arrangement conference. We are committed to and pride ourselves on the quality of our service and dedication to the communities we serve.

Funeral Purchase Payment Agreement

We realize that the expense of caring for the final needs of family members is often unexpected and since we are a family owned business providing services and merchandise, we are dependent upon our clients for prompt payment of charges incurred. Our payment options are listed below.

- 1. **Cash or check** for the full amount of the contract is due at the time of service.
- 2. **Credit Cards** for the full amount of the contract plus a 3.5% credit card processing fee may be used for payment.
- 3. **Pre-need contracts** previously funded with insurance or a trust will be used to pay the funeral bill and the funeral home will process this for the family. In the event the contract has not been fully funded, the balance due for the service would be expected at the time partial payment is received from the pre-paid contract. An administrative charge of \$30.00 per year for the trust being in service will be added at the time of the service.
- 4. **Payment** for funeral service may be made by an insurance policy only if confirmation of policy in force is received at time of arrangements. Then the policy must also be irrevocably assigned to the funeral home. There will also be an advance consideration fee of 3.5% of the funded amount with a minimum of \$125.00.
- 5. **If your account is not paid** at time of service, interest at the rate of 24% will begin accruing. In the event your account becomes 30 days past due, referral will be made to an outside collection agency or attorney, and you will be responsible for the collection costs at the rate of 33% of the balance due, along with reasonable attorney fees and court costs incurred by this office.
- 6. **Payment** for services will not wait on estate settlement.

OUTER BURIAL CONTAINER PRICE LIST

These prices are effective as of December 15, 2025 but are subject to change without notice. In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so the grave will not settle significantly. Either a grave liner or a burial vault will satisfy these requirements. Vault companies may require an additional fee for the grave setup (tent, grass, lowering device), holiday or weekend fees, outer burial containers not purchased through them, and for opening and closing the grave.
