

Intermediate – Rural Accounting - Christchurch

Build a career working with rural business owners

At Brown Glassford, we have been providing quality advice to the rural sector for generations, helping our clients to achieve their versions of success.

We're growing and looking for an **Intermediate Accountant** to join our team of dedicated professionals in delivering first class accounting, compliance, and related advisory services to mainly Canterbury rural businesses.

We are open to exploring part-time for the right candidate.

What you'll bring

We're looking for someone who is technically capable and has a strong interest in the technical side of the profession.

Core experience

- 3+ years in a CA or public practice environment
- Strong interest and experience in the rural sector

Interpersonal skills

- Interested in understanding how rural businesses operate
- Collaborate effectively in a team environment

Systems capability

Literacy across Xero, Figured, Farm Focus and Excel would be an advantage.

What you'll get

- Opportunity to apply your technical skills in directly helping clients succeed
 - Genuine career development opportunities within the firm, both technical and non-technical
 - Access to a strong network of rural and business professionals
 - Competitive salary and subsidised health insurance
 - Modern offices in northwest Christchurch (free, convenient parking)
 - An active Social Club with regular events
 - Access to specialised training and resources via our membership with NZCA
-
