

## **Senior Accountant – Rural Accounting - Christchurch**

### ***Build a career working directly with rural business owners***

At Brown Glassford, we have been providing quality advice to the rural sector for generations, helping our clients to achieve their versions of success.

We're growing and looking for a **Senior level Accountant** to join our team of dedicated professionals in delivering first class accounting, compliance, and related advisory services to mainly Canterbury rural businesses.

---

### **What you'll bring**

We're looking for someone who is technically capable, and a strong communicator.

#### **Core experience**

- 5+ years in a CA or public practice environment
- Strong interest, and preferably experience, in the rural sector

#### **Interpersonal skills**

- Comfortable picking up the phone and calling clients
- Able to explain financial information in plain English
- Confident building relationships with rural business owners
- Interested in understanding how rural businesses operate
- Collaborate effectively in a team environment

#### **Systems capability**

Literacy across Xero, Figured, Farm Focus and Excel would be an advantage.

---

### **What you'll get**

- Opportunity to apply your technical and relationship skills in directly helping clients succeed
  - Genuine career development opportunities within the firm
  - Access to a strong network of rural and business professionals
  - Competitive salary and subsidised health insurance
  - Modern offices in northwest Christchurch (free, convenient parking)
  - An active Social Club with regular events
  - Access to specialised training and resources via our membership with NZCA
-
