Have a Go Day - a LiveLighter Event

Burswood Park Wednesday November 11

Burswood Park – proud supporter of Have a Go Day
A day to connect, participate and celebrate

THIS year, Burswood Park once again welcomes *Have a Go Day* to its riverside parklands on November 11, 2026.

For more than three decades, *Have a Go Day* has brought older Western Australians together to discover new interests, connect with others and learn about the many activities and opportunities available to support healthy and active ageing. Over the years, the event has grown into a much-loved WA tradition and one of the largest of its kind in the State.

At Burswood Park, we are proud to have hosted *Have a Go Day* for 33 years. Over that time, we have

watched generations of Western Australians come together to explore new hobbies, make new friends and strengthen their connection to the community.

The event is a reminder that staying active is about more than physical wellbeing. It's also about maintaining social connections, finding a sense of belonging and continuing to participate in the things that bring purpose and enjoyment to life.

Set beside the beautiful Derbarl Yer-rigan, *Have a Go Day* provides an opportunity to come together, meet new people and celebrate the many contributions older Western Australians make to our communities every day.

Burswood Park Board thanks the Seniors Recreation Council of WA, the many volunteers, exhibitors and supporters who make this event possible. We look forward to welcoming you to Burswood Park on November 11, for another memorable *Have a Go Day*.
