Day 2. Geraldton to Carnarvon (BLD)

Admire how the landscape transitions from the coastal cliffs and wildflower-filled plains of the Midwest to the arid red-earth terrain, sparse vegetation, and rugged outback scenery of the Gascoyne region as we travel north. Enjoy morning tea on the road, as we continue along the North West Coastal Highway, see the landscape shift to lush green plantations of bananas, mangoes, and other tropical fruits, fed by the Gascoyne River upon our arrival into Carnarvon. Overnight: Best Western Hospitality Inn, Carnarvon

Day 3. Carnarvon to Mount Augustus (BLD)

This morning, we venture into the isolated heart of the states' Northwest as we travel from Carnarvon to Mount Augustus. Cross mighty sheep stations and the headwaters of the Gascoyne River en-route to the Mount Augustus Tourist Complex, situated adjacent to the base of this magnificent natural wonder. Step out of the coach and be in awe of such natural beauty. Enjoy dinner at the hotel and soak up the Australian Outback. Overnight: Mount Augustus Tourist Park, Mount Augustus

It is important to note that the Mount Augustus Tourist Park is exceptionally remote, offering basic accommodation with some shared bathroom facilities. This is outback Western Australia, and you should expect a unique holiday experience with laid back bush hospitality!

This morning, enjoy the beauty of sunrise on the "mount" before breakfast. In addition to the sheer spectacle of the world's biggest rock, Mount Augustus offers an abundance of wildlife with flocks of parrots, cockatoos, colourful wrens and waterfowl surrounding the billabongs. Aboriginal rock art provides a reminder of the earliest visitors to the rock and in season wildflowers carpet the surrounds. Your tour today includes morning tea and lunch at the Tourist Park. The afternoon includes some free time where you can relax and enjoy this unique part of Australia. During the late afternoon we position ourselves to enjoy an incredible sunset over the rock. Day 5. Mount Augustus to Carnarvon (BLD)

We depart Mount Augustus travelling through beautiful river country with majestic river gums and passing Cobra Station, built in 1896 to cater for mine workers at the then famous El Dorado Gold Mine. Follow the Gascoyne River westwards toward the coast and the fruit growing town of Carnarvon. Visit Bumbaks Plantation and enjoy a cool ice-cream delight before dinner.
