Dear DEDA Families,

What an incredible year it has been!

This season marks DEDA's 39th year of dance excellence, and what a meaningful and memorable year it has been for all of us. We have each been part of the DEDA family for two decades or more—teaching, mentoring, and choreographing for so many wonderful dancers.

However, this year felt especially significant. Stepping into our roles as directors of Dance Expression Dance Arts brought a mix of excitement, pride, and yes... a few nerves. But as we sit here watching our dancers take the stage—sharing their passion, joy, and love of dance with all of you—our hearts are truly overflowing.

This year's production, *Smash*, beautifully reflects that spirit. Inspired by the legendary Marilyn Monroe, it reminds us that even the brightest stars once began as young dreamers. Marilyn herself was once a young girl with a dream to be on stage—just like so many of our dancers today. Through this story, we celebrate not only the magic of performance, but the courage it takes to chase a dream. It is our hope that we continue to guide these young artists and performers to pursue their passions, overcome obstacles, and believe in themselves. Nothing can stop them from reaching their full potential—not only as dancers, but as confident, resilient human beings.

We would also like to extend our deepest gratitude to Miss Lisa for paving the way and setting the “barre” so high for all of us. We are forever grateful for your example, your vision, and your continued guidance. Your legacy is woven into every classroom, every rehearsal, and every moment on that stage. You are a legend to all of us—just like Marilyn—and we are so thankful to continue building on the beautiful foundation you created.

We would also like to extend our deepest gratitude to our incredible DEDA staff. Your unwavering support, dedication, and love are the heart of everything we do. Each of you brings unique gifts, passion, and talent into the classroom every day, inspiring our dancers and shaping their confidence, artistry, and growth. We are so thankful for the energy, care, and commitment you pour into our students and our studio.

We are endlessly inspired by the dedication of our dancers and deeply grateful for the support of our entire community—our amazing dance moms, dance dads, grandparents, and families who make DEDA such a special place.

This is just year one of a beautiful new chapter, and we could not be more thankful to have you on this journey with us.

Here's to celebrating this season, these incredible dancers, and to the next 39 years of DEDA!

*With love & gratitude,
Miss Kit & Miss Ellen*

It's so hard to believe this is your last year dancing. It honestly feels like just yesterday we were watching you in your first little costume, and now here you are strong, confident, and completely owning the stage.

Dance has been such a big part of your life, and we've loved every single moment of watching you grow – the long nights, the hard work, the excitement, even the nerves. You've poured your heart into it, and it shows in everything you do.

We are so proud of you. Not just for the dancer you've become, but for the person you are – kind, driven, and full of heart.

No matter what comes next, we'll always be right here, cheering you on – just like we always have.

We love you so much,
♥ Dad and Katie

ANNA

Anna, my beautiful, kind, generous, loving soul. Always the first to respond, always ready to help everybody. It's a special time for me when your competitions and shows start: from getting up before sunrise, hair and make up, early Quick Check breakfasts, then watching you on that stage that makes me so happy and so proud of how far you have come. Continue to be you.
