DEDA Performance Teams

Being a part of our Performance Team comes with a multitude of benefits for your young dancer. Here are just a few:

Grow in confidence and competence: Being a part of a performance team allows your child to build their self-esteem and showcase their talents. Through rehearsals and performances, they will grow in both confidence and competence.

Learn to work as a team: Our Performance Team focuses on collaboration and teamwork. Your child will have the opportunity to learn how to work together with fellow dancers, developing important skills in communication and cooperation.

Improve technique: Our team is dedicated to helping dancers improve their technique. Through specialized training and rehearsals, your child will work on refining their tap dance skills, enhancing their coordination, rhythm, and musicality.

Make lifelong friendships: Dance brings people together, and being a part of our Performance Team provides a wonderful opportunity for your child to make lifelong friendships. They will bond with other dancers who share their love for tap dance, creating lasting connections.

Create lasting memories: Being a part of a performance team creates memories that will last a lifetime. Your child will have the chance to perform on stage, participate in competitions, and be a part of special events. These experiences will create cherished memories that they will carry with them throughout their dance journey.
