Our DANCE with ME Parent/Tot program is designed around the specific needs of a 2 year old. Our class encourages parents/caregivers to help us orient their child to the workings of a Dance classroom while simultaneously emphasizing the child's natural movement. Music, dance, obstacle courses and other props are used to develop and refine fine and gross motor skills. By session's end, the children display amazing progress and growth.

As children progress and no longer require the aid of the parent, we encourage students to cross over into our Independent Tiny Dancers Class or Pre-Ballet Class. **DANCE with ME** is similar to our Pre-School -Tiny Dancers/Pre-Ballet & Tumble program with the helping hands of a parent. This class does not participate in recital. (Our Preschool 2 ½ - 4 yrs. Tiny Dancers/Pre-Ballet & Tumble program is designed to encourage a child's natural movement and muscle development through music, creative songs, and dance.)
