DANCE EXPRESSION DANCE ARTS IS HERE TO HELP!

# What's in it for you?

## Easy, no hassle...

Rollover Membership Enrollment allows you priority enrollment for the following season and the Best Discounts!

When you rollover your Membership to the following season, you will receive priority enrollment into next season's classes!

Many of our most popular classes were full this year with wait lists.

You will also have first priority for summer camps, summer classes and much more!

**Every student** receives suggested class recommendations (in your Summer and Fall Folders) based on their teachers evaluations. There is no guessing games about which classes to take. We've got your back on this and your dancer will continue to receive personalized care! We always encourage students to also try something new!

Your child will continue to grow and develop to their personal best!
