

👯 Recital Review - Week of April 20th-25th 2026

Recital Review Week is an exciting time for dancers and parents! This special week gives dancers the chance to practice in costume while parents get to see their dancer perform and learn everything they need to know for the recital.

👯 What to Do

All dancers should wear their recital costume to class this week!
(You may save your brand-new recital tights for show day—any tights are fine for this week.)

Please also:

- Wear any accessories that came with your costume
- Put hair neatly back in a bun or ponytail (great time to practice a recital bun!)

If your dancer has more than one class in a row, please bring all costumes on hangers so they can change between classes.

👥 Parents Are Invited!

For Recital Review Week, one parent per dancer is invited into the studio for the last 20 minutes of each class.

During this time:

- Dancers will perform their recital dance in costume
 - Staff will review important recital details
- Parents can ask questions and feel fully prepared for show day

📅 Important Reminder

- ✓ Dancers wear their costume
- ✓ Parents attend the last 20 minutes of class
- ✓ **Week of April 20th - 25th**

We can't wait to share this exciting preview of the recital with you! ❤️
